Buffalo Police Lt. Jeff Rinaldo addresses questions from the group of business owners and residents during the meeting.

Concerns about the neighborhood were raised by local business owners and residents at a 'Town Hall' style meeting on Tuesday night.

Building Inspector Thomas Brodfuehrer, Assistant Director to the City of Buffalo Department of Permit & Inspection Services Lou Petrucci and moderated by

HNBBBA president Buffalo Police Lt. Jeff Rinaldo. Questions to the panel included issues and concerns on safety in the North Buffalo community, tree plant-

ing on Hertel Avenue, traffic signal safety, rodent control in neighborhoods, trash receptacles along Delaware Avenue and out of state property owner issues. The panel addressed each concern and steps that are in place to identify and, in some cases, correct the concerns.

One resident asked about the future of the Church at the corner of Colvin and Tacoma Avenues that was recently the target of an arson fire. Councilmember LoCurto responded by saying that the Church is going to be demolished as soon as the owners settle the legal aspect of the fire with their insurance company.

Lt. Rinaldo pointed out that City residents can call the City of Buffalo '311' non-

tume and best group costume. Contenders should meet in front of the Delaware Family YMCA at 8:50 am on race day to go in front of a celebrity judge from

117 years and still breaking records.

The Adventures of...

Rocket Man

by Doug Smith

‘Review of “Tuesdays with Morrie”

Filling in for Rocket Man this week is Randall Rumley, actor, director, and a member of the English faculty at Niagara County Community College.

To prepare for this review of the Niagara Regional Theatre Guild’s production of “Tuesdays with Morrie” at the Ellicott Creek Playhouse I re-read Mitch Albom’s well-written book of the same title: I was not disappointed by the outstanding performance of this two man exploration into the power of wisdom and courage versus imminent death.

Doug Smith plays Professor Morrie Schwartz with determination and

sensitivity; the audience immediately begins to fall under his Yiddish charm and humor. M. Joseph Fratello deftly portrays Mitch Albom with a warm, charming voice, effectively presenting the confusion in Mitch’s own life choices, as well as his occasional befuddlement with his beloved sociology professor’s fatal prognosis—ALS, commonly known as Lou Gehrig’s disease, a brutal, unforgiving illness of the neurological system. The progression of the illness is clearly presented by Smith’s intense performance, as well as several wise choices made by Director John Quackenbush, such as economy of set,

lively staging, and wonderfully fast-paced scene changes, allowing just enough time to savor the wisdom of the previous scene.

However, the chemistry between Smith and Fratello is the key to this fine production where laughter and tears mingle into an enchanting elixir of humanity. Morrie gives a final lesson to Mitch and the world, teaching us what it is to be human, facing death with dignity, humor, and intelligence. The lesson was well-received by the audience who rose to their feet simultaneously.

Ultimately, the play, like the book, is not depressing—it is life-affirming. “Tuesdays” is uplifting and inspirational and required coursework for all human beings. Performances continue Nov. 16 & 17 at 7:30 PM and Nov. 18 at 3:00 PM at 530 Ellicott Creek Road, Town of Tonawanda, \$10 to \$14. Call 284-6358 or visit www.niagaratheatre.com. This prehistoric birthday bash will include:

The book was illustrated by Michael Gelen of Buffalo's Inkwell Studios. Books may be purchased in the Curiosity Shop and Ms. Buyer will be available to sign copies. All proceeds from the book sales will benefit the Buffalo Museum of Science.

Last week, 120 green light bulbs were distributed to club members and their families to display on their porch in support of Runaway Prevention Month, in addition to sporting green socks.

All Boys & Girls clubs are certified National Safe Place Sites. If you know a youth who is in trouble or needs a safe place, or for more information, please contact Ms. Fierra at 716-876-7582 or brtk@bgcnt.net. Also look for The Black Rock Keystone Club on Facebook.

GObike Buffalo hosts Buffalo's 1st Annual Cranksgiving - On Saturday, November 17th, Buffalo joins 33 other U.S. cities for Cranksgiving--a fun-filled event that is both a bike race and a food drive! While the event has been going and growing since its inception in New York City in 1999, this is the first time the event will be held in Buffalo.

Beginning at 1pm in Lafayette Square, participants will race around the city to get items from a list of goods that will be donated to Food Not Bombs, a group of people who gather and prepare food that they share with the community at large.

Participants are asked to bring a bike (any bike will do), a lock, helmet, and \$10 to \$15 to purchase the food items on the list. Riders will be given options for where they purchase each item, and will have to visit a mandatory number of

stores to reach their goal at the GObike Community Workshop in North Buffalo.

The race ends with a party at the GObike Buffalo Community Workshop at 98 Colvin Ave. The party will begin at 3pm and will be free for riders. Non-riders are asked to bring 4 non-perishable food items or \$5 to get in. Snacks and refreshments will be served.

Trophies will be awarded to fastest single rider, best bargain shopper, and fastest team.

On Thursday, November 15, 2012, Meals on Wheels for WNY will deliver its 25 millionth meal! This is an incredible milestone - one reached by only one other of the 5,000+ Meals on Wheels in the United States according to the Meals on Wheels Association of America!

The "Penny Challenge" - To help celebrate this in-

credible milestone and give the community an easy way to support home-delivered meal efforts in a tough funding environment, Meals on Wheels will be challenging community members to raise 25 million pennies. Penny jugs will be placed at participating businesses beginning this month, with additional businesses being added in early 2013 and select schools joining in and competing in a contest next year. This is an easy and affordable way for businesses and individuals to support Meals on Wheels - but the cumulative impact will be significant!

To drop off your coins at a public site, visit Meals on Wheels (100 James E. Casey Drive, Buffalo) or check our website for a list of public donation sites (coming soon).

RAVE REVIEWS

"It is in showing where to find out-of-the-way trout streams that makes the map such a treasure to the fisherman."
--Joe Gordon, TRIBUNE-DEMOCRAT, Johnstown, PA

"I have one of the original Higbee's Stream Map of Pennsylvania on my wall behind my desk. It's the best thing available as far as streams are concerned. I use it all the time for reference. I don't know of anything more extensive and it is the most accurate map out there as far as streams are concerned."
