

Gator in the Park!

Wildlife behavior experts believe this ten-foot alligator became confused by the brief warm-up last week and wandered into Delaware Park.

Now that spring is here, the animals that have been in hibernation are starting to appear again. The birds are flying back, the squirrels and rabbits are running around and this 10' alligator was spotted in Delaware Park

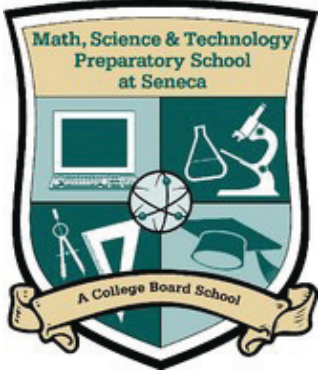

near the concession stand off Nottingham. "This is rather an unusual occurrence," said Dr. Willie Phoolia, Director of Animal Behavior at a local university, "Alligators usually appear when the weather is a

little warmer. This fella must have wandered into the park last week when the temperatures were a little higher." Most of the alligators spotted around here range from one to three feet in

The Adventures of...

Rocket Man

by Doug Smith

Welcoming Wallenda

After word leaked out that daredevil Nik Wallenda plans to execute his next wirewalking spectacular in North Buffalo, merchants, residents and commuters got up on their high horses about its potential impact on their businesses and comings and goings. A formal announcement is expected this coming Wednesday.

Peace Bridge neighbors were especially on edge, as the span represents the highest point in the area, making it the likeliest terminus for a trek above the raging Niagara River, to (or from) the International Railroad Bridge.

Rocket Man has learned, though, that the politically-sensitive daredevil dismissed any such location, preferring not to be associated with any land mass known as "Squaw Island."

"I tell you with authority," said Hi Walker, spokes-

man for the globally-known risk-taker, "that Mr. Wallenda is very sensitive to the needs and feelings of this great land's first citizens. He'd rather slide into eternity on a rusty razor than in any way perpetuate racial and ethnic stereotypes. Besides that, they give us a terrific deal on gas purchases."

Later guesstimates have Wallenda high-wiring Hertel Avenue, from the roof of the Hertel Apartments to the top of the marquee of the North Park Theatre. Ty Trope, head of the logistics team, noted that while it might not be the highest walk of Wallenda's career, it would surely be the longest, and he pledged that the daredevil would walk in place for as long as it took for the Delaware Avenue traffic light to change.

For a while, it seemed that Wallenda would decline this routing, as well,

but his reservations, it turned out, were only the result of a misunderstanding. "When they proposed walking over Hertel, I thought they wanted me to jump a Hurdle," he said. "Anybody, even Joe Bortz, can do that."

One common speculation has Wallenda putting his foot down as a feature of the Italian Festival. "I only hope I won't be distracted by aromas," he said. "The spray from Niagara Falls I could handle, but the smell of good pasta sauce, that's a challenge. And the higher it gets, the better it smells."

Otherwise, Hertel Avenue could be closed for a week or more while Wallenda and his crew install and run safety checks on his equipment. Police would make special arrangements for customers wishing to visit the offices of the Buffalo Rocket and as a courtesy, Wallenda himself would make airborne deliveries of Johnny's Meat, using carefully chosen delicious homemade sausages as the weights on his balancing pole.

Lovely as a Wallenda wirewalk would be in promoting North Buffalo, many complications remain. One can be identified by checking next Wednesday's date, and another by carefully writing down the first letter of each paragraph in this dispatch.

Hi! My name is Gary! I am a playful young boy who is looking for my forever home. I am already house broken and even know a few commands! I have been neutered and also had my shots. Don't worry about my size and trying to guess how big I will be, this is it! I am small but I pack a big punch of fun, love, and energy. I am good with other dogs and with children. Before the weather got too snowy, I was starting to jog with my foster mom. Once back in the house and warm, I am a fantastic snuggler and really good boy. My favorite thing to play with is a good ole tennis ball. You throw it, and I will do the rest! If you are interested in me, please contact my foster mom at mpace818@hotmail.com.

Remembering Sister Julia Feltz

On October 7, 1940, the Sisters of St. Joseph rejoiced that Henry and Augusta Feltz, gave their loving daughter, Julia, to the Sisters of St. Joseph in Buffalo. Julia was a native of Fort Wayne, Indiana but felt strongly drawn to the spirit and works of the Sisters of St. Joseph in Buffalo.

In August of 1946, Julia became Sister Mary Ernest; a name which became associated with giving, loving, and reaching out to all who came into her presence. Her leadership, particularly on the West Side at Nativity parish, became synonymous with total commitment to the Church, the school and family life. No project was too great. During these years, the sisters returned to their Baptismal names and Sister Mary Ernest became Sister Julia.

Sister Julia was appointed Superior and Principal of Nativity School in 1964. The closing of the school in 1981 was a very sad and arduous task for the parish and the children at that time. However, Sister Julia did not abandon her people. She chose schools for her teachers and pupils and sent them forth prepared

Sister Julia Feltz. Born 1922 - Passed on to Heaven March 2015.

to unify with surrounding parish schools. Like the indomitable women of the gospel, she kept after the Lord to open new ways to serve the needs of people.

Through her 17 years as Principal of Nativity School, Sister Julia demanded high academic standards and discipline, while instilling the happiness that prevailed throughout the school from the Kindergarten to the eighth grade. The good feeling the school enjoyed from the students, parents and

teachers, was unmatched.

In 1982, she invited elderly women to come and live in the Parish Convent. However, while not totally successful, this project, which continued for two years, brought the Parish Convent to the public eye. The Convent then became a Half-Way House for women recovering from alcoholism and Sister Julia assumed the job of Residence Manager. Sister Julia again was the great "let's do it together" person. Sister spent a total of

27 years of pure dedication to the people of Nativity of the Blessed Virgin Mary Parish (in memory).

Many former students and parents were part of the overwhelming crowd that filled the Sisters of St. Joseph Residence Chapel at her Memorial Mass offered last Saturday, March 21st.

Sister Julia graduated from Mount St. Joseph Teachers College and attended Catholic University for further study. St. Joseph School on North Main Street, St. Mark School, St. Francis Xavier School, and St. Francis de Sales School were recipients of Sister Julia's earliest enthusiasm and energetic creativity.

Several years of Sister Julia's administrative and teaching career were spent at St. Patrick's in Java

Center and St. Mary's in Medina before coming to Nativity in 1964 as Superior and Principal.

In 1990 she left Nativity's Casa Di Vita to teach at Mt. St. Joseph Academy and in 1994 she went to the Family Support Center to work with children.

Sister Julia's concern for the needy led her to devote time and energy to helping refugees, particularly those from Southeast Asia, begin a new life in Buffalo.

Sister Julia will always be remembered in the hearts and memories of all those who had the privilege to spend time in her life. She was kind, she had humanity, she made life worth living and her life was dedicated to God's love. May she rest in peace forever.

Alligator in Delaware Park is Relatively Harmless

size. This one is extremely large for this area. Delaware Park is a likely spot to find alligators because of the open area of the golf course and the proximity to Hoyt Lake and Scajquada Creek.

Unlike the alligators in Florida, these critters around here don't move very fast and are vegetarians. They like to eat dead leaves and tall weeds. Although harmless, if you do see an alligator it is highly advised not to

try and feed them. If you leave them alone, they will eventually wander off and return to a place out of harm's way. Also, according to Dr. Phoolia, you should not see any more alligators after the first of April.

mates indicate the program will double in size over the next two years. The vision is to provide a multi-faceted program that creates opportunities for Buffalo Public School students in the medical careers pathway to meet the high skill, high-wage, high demand needs of our community. The goals of the Medical Careers Pathway Program include creating a workforce for the growing Buffalo Niagara Medical Campus and region. Students enrolled in this program will develop workplace skills essen-

tial in the medical careers pathway in which they select. As high school students they will earn stackable credentials (CPR, OSHA 10 card, First Aid, Heart Saver) in the different areas which are necessary for employment in the medical careers pathway. College credits are available through this program which are earned through a partnership with Erie Community College. Along with ECC, the Career and Technical Education Department has established partnerships with Buffalo & Erie County Workforce Investment Board, Erie Community

College, Buffalo Niagara Medical Campus, Buffalo Niagara Partnership, Kaleida Health, The McGuire Group, and Roswell Park Cancer Institute to assist in developing curriculum, provide work based learning experiences, mentoring, stackable industry credentials, training, and evaluation tools for the students, administration, and teachers participating in the Pathway Program. Upon completion of the Medical Careers Pathway Program students have an opportunity to enter into livable wage careers and post-secondary opportunities.

Johnny's Meats To Open Second Location

Upon a recent visit to the motherland, Mike Aloisio, owner of Johnny's Meats in North Buffalo, stumbled across a find that is too good to be true. "It's perfect!" Aloisio proclaimed. "although the parking might present a challenge." With its close proximity to Mt. Etna, no doubt they will be smoking their own

pork chops at the new location. Mike is confident that once the locals get a taste of his delicious home made braciole and other quality products, they will be back for more. At this point all of the details have not been worked out, but we are confident that things will fall into place by the first of April.

Viva San Giuseppe!

St. Joseph’s Day is a Roman Catholic feast day, celebrated annually on March 19th, to commemorate the life of St. Joseph and his work feeding the less fortunate.

Father Joe Wolfe, from Holy Spirit and St. Margaret parishes in North Buffalo, joins the Sclafani family and blesses the St. Joseph’s Day table at Frank’s Sunny Italy.

The custom of the St. Joseph’s Day table was thriving in North Buffalo and the West Side this past week as hundreds were treated to the traditional feast. Two iconic restaurants, La Nova Pizza and Frank’s Sunny Italy, celebrated by offering the customary St. Joseph’s Day table. The restaurants donated 100% of the proceeds to several local charities.

La Nova Pizza donated all of the extra food from the day to St. Luke’s and the Buffalo City Mission. La Nova’s proceeds were distributed to several local charities, including area churches, Buffalo Speech and Hearing, Children’s Hospital and the West Side Community Center.

Frank’s Sunny Italy donated their proceeds to the Veterans One Stop Center in Buffalo.

Father David Richards, from Queen of Heaven parish in West Seneca, joins the Todaro family in the St. Joseph’s Day celebration at La Nova Pizza on the West Side.

Tired of Buffalo Winters??

Why suffer through another Buffalo winter?

Need a place to go and live in Paradise during the cold and snowy months of the north? Become a snow bird, like me. I just happen to have a house available to buy for my friends who are sick of shoveling snow. It is a three bedroom, two bath home located in the friendly community of the Villages of Country Creek in Estero, Florida. Estero is in southwest Florida, the gulf side and much quieter and less congested than the east coast.

The house is on the market for \$209,000 which is on the low side for single family homes in the area. That is based on the fact that the house next door, same model, but with a pool, sold for \$265,000 last month. The price is firm until the first of March, at which time some upgrading is scheduled and will be added to the selling price. The home has been recently painted in and out and is clean. The kitchen is original, but needs to be upgraded, although it is still fully functional. It is rented and the lease expires on the first of March.

Over 1,400 square feet of space, with air conditioning and electric heat if needed. Tile floor in the living room, kitchen and dining area. Walk-in shower and closet in master bedroom.

The Villages of Country Creek is a well maintained, semi-gated community with an executive golf course, five tennis courts and five heated pools. We have a bocce league with five bocce courts and an active Wii bowling league. Wii bowling is well accepted and has 54 four member teams. Country Creek also has its own restaurant and bar with a club house for live entertainment and dinner theatre. Plenty to do and one has the option to be active or sit back in the sun and quietly read books.

The airport and beaches are fifteen minutes away. Three large shopping centers all containing the large retailers within five miles. All the major restaurant chains, family restaurants and grocery store chains within five miles. A large recreational park and indoor facility with three basketball courts within walking distance. Wonderful county library within walking distance offering books, movies, and assistance in all areas with free computers and internet access.

Sound like a bit of Paradise? It is and it is affordable with this house. If you are not ready to make the move, It could be rented for the season or annually for enough to cover the mortgage until you are ready.

HELP FOR HOMEOWNERS IN FORECLOSURE

New York State Law requires that we send you this notice about the foreclosure process. Please read it carefully. Mortgage foreclosure is a complex process. Some people may approach you about “saving” your home. You should be extremely careful about any such promises. The State encourages you to become informed about your options in foreclosure. There are government agencies, legal aid entities and other non-profit organizations that you may contact for information about foreclosure while you are working with your lender during this process. To locate an entity near you, you may call the toll-free helpline maintained by the New York State Banking Department at 1-877-BANKNYS (1-877-226-5697) or visit the Department's website at www.banking.state.ny.us. The State does not guarantee the advice of these agencies.

HELP FOR HOMEOWNERS IN FORECLOSURE

New York State Law requires that we send you this notice about the foreclosure process. Please read it carefully. Summon and Complaint You are in danger of losing your home. If you fail to respond to the summons and complaint in this foreclosure action, you may lose your home. Please read the summons and complaint carefully. www.dfs.ny.gov. Foreclosure rescue scams Be careful of people who approach you with offers to "save" your home. There are individuals who watch for notices of foreclosure actions in order to unfairly profit from a homeowner's distress. You should be extremely careful about any such promises and any suggestions that you pay them a fee or sign over your deed. State law requires anyone offering such services for profit to enter into a contract which fully describes the services they will perform and fees they will charge, and which prohibits them from taking any money from you until they have completed all such promised services. The foregoing Summons is served upon you by publication pursuant to an order of Honorable Deborah A. Haendiges, Justice of the Supreme Court of the State of New York, signed on 2nd day of March, 2015, in Buffalo, New York and duly filed in the Erie County Clerk's Office, in Buffalo, New York on March 2, 2015. The Nature of this action pertains to a note and mortgage held by Plaintiff on realproperty owned by the defendants, KIMBERLY KIENER A/K/A KIMBERLY M. KIENER A/K/A KIMBERLY SLOSSON A/K/A KIMBERLY M. SLOSSON and THOMAS KIENER A/K/A THOMAS R. KIENER. The said defendants have defaulted on the note and mortgage and the plaintiff commenced a foreclosure action. Plaintiff is seeking a judgment foreclosing its mortgage against the real property and premises which situates in the City of Buffalo, County of Erie and State of New York and is commonly known as 175 Prospect Avenue, Buffalo, NY 14201 and all other relief as to the Court may seem just and equitable.
