

# Meet Your Merchant Garbage Guys

Chris Bonvissuto, owner of Garbage Guys, was inspired to start a business to help others clear out their clutter after cleaning out his own attic in 2010.

One spring day in 2010, Chris Bonvissuto was decluttering his attic and the idea of starting a business came to him. He thought, “If my attic is in need of some attention, others could probably use a hand getting rid of their clutter as well.” This inspired him to test the market to see what kind of response he would get.

He took care of all the legal aspects, began advertising and passing out brochures to truly test his idea. Chris started receiving phone calls and the “Garbage Guys” venture was born.

Garbage Guys specializes in estate clean-outs, residential and commercial clean ups, attics, basements, garages and yards.

## Guest Column by Erie County Clerk Chris Jacobs

### May is Motorcycle Safety and Awareness Month

Warmer weather has arrived, daylight hours are longer – it is finally spring. Motorcycle riders across Erie County are tuning up their bikes and getting ready for the riding season and the open road. Motorcycles are becoming ever more popular; they are inexpensive to operate, fun to ride and easy to park. In Erie County alone, there are more than 21,000 registered motorcycle riders who use their cycles for commuting, touring and recreational activities.

I ask all motorists, especially new drivers, to be alert to the presence of motorcycles on the road and to share the road safely. Cyclists often ride to one

side of the lane and often times the motorcycle can hide in your vehicle's blind spot. Carefully check before turning or changing lanes and look two or three times before making a move. Allow more following distance for motorcycles -- two or three car lengths is recommended, more if the roads are wet or visibility is poor.

Riders should take a moment to review the aspects of motorcycle safety-wear protective gear at all times, including a helmet, ride within your skill limits, ride unimpaired and become a life-long learner by taking refresher rider safety courses. Riders can benefit from any of the mo-

torcycle safety programs offered for both new riders looking to learn the critical skills needed to ride safely and experienced motorcyclists who want to reinforce safe driving practices. Class locations and fees can be found at [www.nysmsp.org](http://www.nysmsp.org).

Before hitting the road this driving season, I remind motorcycle riders to visit the Erie County Auto Bureau to get properly licensed and renew their motorcycle registration. For more information on motorcycle licensing and registration please contact the Erie County Auto Bureau Call Center at (716) 858-7450 or visit us at [www.erie.gov/clerk/auto-bureau](http://www.erie.gov/clerk/auto-bureau).

I urge everyone to use caution when sharing the road this summer. Together, the more we raise awareness and follow the rules of the road, the more we keep motorcyclists and all motorists safe... Let's ride smart, ride safe, and enjoy the season.

another 60 years? Close to a thousand people were on hand, most of them boys and girls, to help start a new season in Shoshone Park. And just like tradition, they even marched in a Parade up Hertel Avenue from Saranac. Needless to say, they'd walk a mile for baseball or softball in this community.

This wasn't just any Opening Day for league officials. Don Morris, the leagues' president had been preparing for this for months in advance. Several former colleagues of his in the league were invited back to help remember the beginnings of North Buffalo Baseball, begun in 1957, including Dennis Mason. Mason played in the league from 1958 to 1960, when there were only six teams.

Buffalo Mayor Byron Brown was on hand, leading a contingent of his fellow workers, including Delaware and University District Councilmembers Joel Feroletto and Rasheed N.C. Wyatt. Erie County Legislator Peter Savage of the 3rd District was also on hand. All had an opportunity to step to a microphone at homeplate of the Parks' premiere diamond to offer the children wishes of success for the coming season.

According to figures kept over the years in league books, Morris proclaimed that close to 32,000 children have enrolled in the league since 1957 the long-time president discovered. "That's like the population of some small countries!" He credits this to former players who bring their children back into the Park where they once played. Families have been a strength for this league, evident in the crowd on hand.

Buffalo City Comptroller Mark J.F. Schroeder stepped up to homeplate and helped set the mood on the festivities with his leading of the song: Take Me Out To The Ballgame. It was met with applause

but the highlight of the ceremony came when three City Honors High School students stepped forward and delivered a heart wrenching Star Spangled Banner. The students were: Jillian Beard, Jamil Lopez and Callah Turpin. All under the direction of teacher Elizabeth Newton, who oversees as many as 40 students in their music program at the prestigious school.

Buffalo chief City Court Judge Tom Amodeo was also in attendance. He served as a long-time board member for a number of years and coached winning teams while serving on the bench during the day. Another current Judge, Betty Calvo-Torrez, who still has a son playing in the league, stepped to the microphone and wished all the women on hand a Happy Mothers Day. As is tradition, the league opens its season on the Saturday prior to Mom's Big day.

Other former board members on hand were; former presidents Bob Carnevale and Charles Bartolotta. A league Secretary, Jack Hornung who's son John now serves on the current board as vice-president. Long-time board members for girls teams were on hand like Tom Kutas and Henry Wischerath. All coached teams for many years while holding a board position and raising their family in North Buffalo. All received commemorative 60th anniversary t-shirts

for the occasion.

After the ceremony, games began at 1:30 pm and played without a change in the weather. Grace Applebaum and Georg-Ann Reinhardt both doubled, knocking in two runs and pitchers Meena Rose and Bridget Flaherty pitched well to lead the Rockies over the A's 6-4 in Major Girls. In a Minor Girls game, Emma Mahoney of the Orioles had the game winning RBI to lead the team to a 3-2 win over the Athletics. Lauren Foster went two for three and scored two runs.

In other games: the Mets defeated the Giants, 12-3, the Nationals topped the Dodgers 13-5 and the Reds rallied to defeat the Cubs, 9-8 in the bottom of the sixth inning in Major Boys games. Tatiana Boyd hit a two run homer and teammate Jordan Flynn struck out eight over three innings to lead the Dodgers 4-2 win over the Cardinals in a Major Girls game.

Constantino Perez hit a clutch two out single, knocking in Aidan Lyle and Jonathan Green for a 2-0 Red Sox win over the Orioles in Rookie Boys. The Blue Jays defeated the Rays, 6-2 led by a Joe Bueme home run that broke the game open. The A's shut out the Yankees 3-0 earlier in the day.

Trevor Speck and Derek Gottler helped lead the Orioles to their first win over the Tigers, 10-9. The Blue Jays defeated the Twins 5-3 led by Nathaniel Gilbert, Bryce Thomas and Wesley Scharping. The Royals defeated the A's 7-1 and the Angels won their first game over the Yankees.

Games continue nightly and on Saturday.

**ADOPT A PET** Sponsored By The  
This Week's Featured Friend:  
**CHUBBY**

Say hello to our handsome man Chubby!! Quite honestly, Chubby isn't "chubby" at all, and when you meet him, you will see he is actually quite lean and fit. Chubby is a playful boy that would absolutely love to be in some training classes to help him become the best dog he can be. He really loves his toys and play time in the yard makes him very happy. He has done well with the dogs he has been introduced to at the shelter, and knows his basic commands. Because he can be a bit "playful" when he gears up, we recommend that he be in a home with children that are a bit older, not the really little ones. Chubby really wants to please, and he would be happy to bond with a person willing to show him all the ropes. He really likes his treats and takes them quite nicely. The "Chubster" would make a great addition to a fun, active home and we are sure he will be loved by all he meets.....
