EPIC - Every Person Influences Children, Inc. will kick off its story time programming at Canalside on Wednesday, June 29th, from 10 am to noon. EPIC will offer 10 weeks of free story time programming to young children and families throughout the summer.

The Summer Series aims to create a positive and fun environment for families and young children (up to age 8), promoting reading and a healthy lifestyle, all while learning valuable life lessons together as a family. The Story Time events incorporate educational themes and include a book reading and corresponding family activities. The theme of

the first Story Time of the series is Laughter & Yoga, with a special appearance by Sabretooth from the Buffalo Sabres.

A desperate and increasing need for laughter and playfulness exists in children of all ages today. Laughter can help children to cope with stress and also

replace some of the play and laughter time that they are losing to formalized educational systems and changes in lifestyle. Through the Laughter & Yoga themed Storytime, EPIC hopes to introduce more laughter into children’s lives.

# Hambridge Headlines Music Festival

The Sportsmen's American Music Foundation will present the 1st Annual Tom Hambridge Americana Music Festival at Riverside Park in Buffalo on June 25th from 3 pm to 9:30 pm and June 26th from 2 pm to 8 pm Tom Hambridge will headline the event on Saturday and Americanarama takes the stage on Sunday.

Tom is a Grammy award-winning producer and five-time Grammy nominated singer/song-writer/drummer who is from Buffalo. On December 28, 2015, Buffalo Mayor Byron Brown officially proclaimed, "Tom Hambridge Day" in Buf-

falo. Mayor Brown said, "Our city is proud of Tom's achievements and we thank him for his continued commitment and devotion to the arts which help shape the heart of our society, a city's quality of life and play a key role in spurring economic growth".

"We're very proud that Tom Hambridge has chosen his hometown and the Sportsmen's Americana Music Foundation to host his 1st Annual Americana Music Festival" said one of the foundation's representatives. "Just think of the Austin City Limits Festival and the Americana Music Festival in

Nashville. That's the kind of company we'll be keeping with Tom Hambridge and the SAM Foundation at the helm."

Joining Tom Hambridge and the Rattlesnakes on the bill on June 25th will be all-stars and founders of the Americana genre, Bill Kirchen and Too Much Fun and the Commander Cody Band. Opening the festival will be two incredibly talented bands from Buffalo, The Willies and Ten Cent Howl. On Sunday June 26th, the best of WNY's regional Americana talent will be featured.

A History Set in Stone

The weather isn't the only thing getting hot out on the diamonds of Shoshone Park for the Hertel North Park Youth Baseball League. Teams are fighting to finish the regular season with winning records so their playoff chances are better. While very few clubs have yet to win their first game, several are stuck in the middle of a division, anxious to get a late season spark. Let's take you out to the Park.

It was just a regular season game between the Yankees and Dodgers in the Senior boys division last week, but if Elliott Widenor is on the mound for the New York team this season, the "lefty" might be the parks version of Andy Pettitte to all opponents. Widenor struck out 17 of the 21 Dodgers he faced over seven innings and allowed just three hits for a complete game victory over the Dodgers, 5-2. The victory was the teams third in a row since the season opened and gave the Dodgers their first loss after three wins in what may prove to be an exciting season up on the Mike

Murphy diamond.

This is just one of the many game highlights that are taking place each night and on the weekends at Shoshone Park. Without a real drop of rain for nearly a month, the regular season is quickly passing by. Now with humid weather on tap, thoughts of playoff berths are taking shape.

In other games in the "senior circuit" Rob Maulucci tossed a two hit shut out over seven innings and teammate Luis Mercado tripled in both Tiger runs in the bottom of the sixth for a 2-0 win over the Orioles. The Diamondbacks defeated the Mets, 11-10 while the Pirates still look for their first win of the season after five games.

In First Minor, the Angels have won three of their last four games including a shut out victory over the Blue Jays last Thursday, June 16th. They defeated the Orioles 13-6 on homeruns by Luke Applebaum and Rowan Root with help from Mateo Chimera and Cohen Springer. Then Saturday, Evan Brown got the winning hit, knocking in the go ahead

run in the bottom of the sixth for a come from behind victory over the A's, 8-7. In other games, Joe Cheman hit a grand slam homerun for the Tigers in the bottom of the sixth for a 14-13 victory over the Orioles.

In Second Minors, the Brewers are turning their season around with victories in three of their four games. Billy LaPorta, Nathan Mulligan and Gabe Koerner help lead the team to wins over the Pirates and Braves. Tommy Sheehan leads the Padres attack, however, and they won't go down without a fight. All four teams are very competitive.

Over on the softball side, the Reds are the class of Minor girls. Recently, they defeated the Orioles, Yankees and A's to remain undefeated. Olivia Foglia-Leffler tripled in the winning run in the bottom of the sixth with the bases loaded for a 4-3 victory over the A's. Kailin Lyle and Izzy Gardner lead the Yankees and first year player D'Aria Tyner got her first hit ever for the Orioles in a win over the Giants.

In Rookie girls, Madasyn Fonzi got her first hit of the season and came around to score for the Lil Devils and six year old Shamrock Peyton Gallivan made an unassisted triple play at shortstop in victories for both teams in two separate games.

Don't look now but the next time you make your way to grab that hot dog or bottled water, you'll discover two memorial stones laid in a circular flower bed in tribute to two leaders in North Buffalo Sports who have since left us. They are Salvatore (Sam) Chianta and Robert (Bob) M. Ryan. In the 60 years that this league has been in existence, both men devoted their lives to helping boys and girls in this community through baseball and football in Shoshone Park. Chianta passed away in 1992 but was present when the league dedicated its "head-quarters" to him just a year earlier. Both are truly missed.

# TANK

Tank is an approximately 6 year old bully breed mix who came to the shelter from a not so great situation. Tank doesn't let his past get him down. He is a happy, goofy boy who is looking to live life to the fullest. He is super affectionate, loves to snuggle on your lap and gives kisses like it's his job. He enjoys his walks and does a lovely job of staying right by your side. He would be a great companion for someone who enjoys hiking and running. He also seems to know some basic obedience and will sit patiently for a treat. Tank always has a smile on his face and plays in the yard with true abandon. He has also done well with the dogs he has met so far. But he does better with dogs his size or larger. Tank is already neutered and ready for his forever home. If you're looking to add a little bit of fun and happiness to your life, come meet Tank today.

On the day of the tour, you can also explore the site of the future gardens of Frank Lloyd Wright’s prairie-style architectural masterpiece, the Darwin Martin House, where plans are underway to restore the once extensive Wright designed landscape. # Taste of Buffalo in July

**From page 1**  
In celebration of the tenth anniversary of the Taste’s participation in the “Healthy Options” program, which requires all participating restaurants to offer a healthy menu item, Independent Health Foundation is bringing the world’s first kale eating competition to the Taste. Come watch professional eaters consume massive quantities of raw kale on Saturday at 2 pm on the steps of City Hall. Independent Health Foundation is also providing free trays to help festival goers easily carry and enjoy their food. Pick one up, while they last, at their tent located on the inner ring of Niagara Square near Court Street.  
In partnership with the City of Buffalo, the Taste is also proud to offer recycling stations throughout the event. Recycling Rangers will be present to help you place items in the right bins and learn more about the City’s recycling programs. For the first time, restaurants and festivalgoers can also recycle their food waste. The Taste has partnered with Natural Upcycling, Western New York’s premier food scraps/organics recycling collection company. Each recycling station at the event will have an orange Natural Upcycling tote for guests to place their food scraps in, and every Taste restaurant will be recycling their food scraps all weekend long as well. Natural Upcycling will utilize this food waste to create

dependable renewable energy through the biological process of anaerobic digestion at its farm-based digester in Pavilion, NY.  
“The Taste of Buffalo is about a weekend of food but it’s also about the culture of Buffalo,” said Mayor Byron Brown, City of Buffalo. “Thousands of people will come to our city and taste great food, hear a diverse array of music from our city’s talented musicians, see historic buildings that are newly renovated, as well as improved streets

and streetscapes that enhance the quality of our neighborhoods citywide. Buffalo’s great festivals, including the Taste of Buffalo, have a way of lifting up our community and creating permanent benefits economically for our residents. We are proud to partner with the Taste of Buffalo on one of our city’s best summer festivals.”  
The complete list of restaurants and food trucks, along with 2016 menu items, is now available at [tasteofbuffalo.com](http://tasteofbuffalo.com).

## Joe Ryan, Former Rocket Columnist

Joseph E. Ryan, March 30, 1943 - June 11, 2016

Joseph E. Ryan, a former Buffalo city planning chief and veterans advocate who made an inspirational comeback from an accident that left him paralyzed, died June 11 in Hospice Buffalo Wells House, Beechwood Campus, Getzville. He was 73. Born in Buffalo, the eldest of 10 children, he was a 1961 graduate of St. Joseph's Collegiate Institute, where he was president of his graduating class and

an all-Catholic and all-Western New York football player. At Cornell University, where he earned a degree in industrial and labor relations, he captured all-Ivy League honors as a center and linebacker. He served in the Navy from 1965 to 1969 and spent 17 months in Vietnam as a diving team commander, mainly in the Mekong Delta area. He earned the Bronze Star and rose to the rank of lieutenant. Returning from service, Mr. Ryan was co-owner of Ryan's New Federal Pub at Elmwood Avenue and Cary Street and was working as an engineering consultant in 1971 when Mayor Frank Sedita named him executive director of his Citizens Advisory Committee. He held the post until 1975, helping to set up the community development block grant program and fostering the growth of nonprofit neighborhood groups. Then, in August 1985,

while bicycling to train for a triathlon, he crashed into a barricade along the Buffalo waterfront and fractured his spine. He was paralyzed from the waist down. He spent nearly a year in rehabilitation. He was a contributing political columnist for the Buffalo Rocket in the late 1970's and early 1980's. Mayor Anthony Masiello appointed him as community development commissioner in 1998. During his 4½ years as the city's planning chief, he worked to develop a comprehensive plan to revitalize neighborhoods and create a citywide strategy to encourage business. Mr. Ryan received numerous awards. Named a Buffalo News Citizen of the Year in 1986, He received the D'Youville College Community Service Award in 1986 and was given the Clarkson Center's Courage to Come Back Award in 1995.
