# Fishing Derby

The 19th annual Elmwood Kiwanis Fishing derby was held Wednesday at Hoyt Lake in Delaware Park. Volunteers from United Way Day of Caring 2016 assisted with over 100 campers from the Delaware YMCA for this year's event.

The Elmwood Kiwanis Club of Buffalo offers an annual opportunity for the Delaware Family YMCA day camp participants to experience fishing at Delaware Park. This year's event is made possible by a large group of volunteers from Ingram Micro, Medaille College

and National Fuel. Together these community service organizations and volunteers spend a few hours making a considerable impact on the development of Buffalo City youth. For many of the day camp participants this is the only time they have had an opportunity

to go fishing. To see the excitement that the children have when they catch a fish is priceless. The Elmwood Kiwanis Club is a great example of a community partnership that works closely with the Delaware Family YMCA to support youth and families.

## 24th Annual United Way Day of Caring

The United Way Day of Caring is the largest one-day volunteer event in Western New York. It promotes the spirit and value of volunteerism and demonstrates the power of Living United. The Day of Caring generates positive community relationships and helps to develop contacts between volunteers, agencies, and workplaces

More than 3,300 Volunteers helped out at local Non-Profits during the 2016 United Way Day of Caring. Volunteers from Erie County Industrial Development Agency paired with Big Brothers Big Sisters of Erie County to serve as a "Big for a Day."

## Albright-Knox Public Art Blankets Buffalo in Color

In the coming week the Albright-Knox Art Gallery's Public Art Initiative will complete a monumental multi-site work of art by Brooklyn-based artist Amanda Browder (American, born 1976). The work, titled Spectral Locus, will be temporarily installed on the facades of three prominent buildings in Buffalo - the former Richmond Methodist Episcopal Church at 467 Richmond Avenue, the Eckhardt Building at 950 Broadway, and the Albright-Knox's Clifton Hall.

Browder is a textile and installation artist who, with the help of hundreds of volunteers, used donated fabric to create massive quilts, resulting in striking alterations to these

large architectural structures. Since April, she has hosted public sewing days throughout the region to help produce the piece. Local craftspeople, artists, and novices alike have joined in the production. "Working with something hands on offers community members a sense of ownership of the piece, and something to be proud of as a maker and a citizen of this wonderful town," said Browder.

"We are thrilled to contribute these joyful works of public art to our Buffalo neighborhoods," said Janne Sirén, Peggy Pierce Elfvin, Director of the Albright-Knox. "Our community has come together to gather large amounts of

### PRAYER IN HONOR OF ST. DYMPHNA

Lord, our God, you graciously chose St. Dymphna as patroness of those afflicted with mental and nervous disorders. She is thus an inspiration and a symbol of charity to the thousands who ask her intercession.

Please grant, Lord, through the prayers of this pure youthful martyr, relief and consolation to all suffering such trials, and especially those for whom we pray. (Here mention those for whom you wish to pray).

We beg you, Lord, to hear the prayers of St. Dymphna on our behalf. Grant all those for whom we pray patience in their sufferings and resignation to your divine will. Please fill them with hope and grant them the relief and cure they so much desire.

We ask this through Christ our Lord who suffered agony in the garden. Amen. **G.P.I.**

### ROXY

Meet Roxy!! This beautiful happy, cuddly, sweet lady is looking for her forever home. She originally was at the City of Buffalo Animal Shelter and Linkon's Last Chance Rescue took her in and placed her in a foster home. She was in foster home for close to a year with a wonderful girl who adored Roxy and they became fast friends. Due to a change in the foster Mom's life, Roxy needed to find another foster home. Her former foster Mom worked with Roxy in training classes, would take her running, taught her good manners and it was heartbreaking for her to let her go. Roxy is currently in another foster home but this lady of 7 yrs of age, deserves a place to REALLY call her home. Roxy is super smart and has done amazing at training and the new foster Mom and others are going to make sure her new family will have the resources to continue to engage Roxy in her training. Roxy adores her toys. Give her a toy and she is as happy as can be. In fact, Roxy is great at hiding them in the yard. She carefully finds a suitable location for them to keep them safe. She adores the kiddie pool, doing tricks, taking long walks, car rides and cuddling. You will find Roxy to be an amazing friend, companion, and will make you smile on a daily basis. As Roxy has gotten a bit older, she has become a bit spoiled, and she really would like to be the only animal in the house. There is nothing wrong with her wanting all the attention and love, and she will give that all back to you. Please consider Roxy for an addition to your life. Give her the forever home she has been waiting for. Contact her foster Mom at [juliebarnas113@yahoo.com](mailto:juliebarnas113@yahoo.com) for more information and a chance to meet Roxy. Thank you!!!

fabric, people have volunteered their time to stitch these colorful quilts, and now, for four weeks, we will see the stunning results of their collaborative creative work. Projects such as this enable everyone to be an artist. They bring our community together in a meaningful way and help revitalize neighborhoods across our beloved Buffalo."

With the Albright-Knox as a central point, the three

locations represent a civic conversation that links the East and West sides of Buffalo. In a time of construction and redevelopment, all three sites will see changes in the coming years as Buffalo continues its renaissance.

The first installation site will be the Eckhardt Building at 950 Broadway, on the city's east side.

The second installation site will be at the former Richmond Methodist Epis-

copal Church, built from 1885 -1891. The space has undergone construction this summer in advance of adaptive reuse as a visual and performing arts center. Currently referred to as the future Rosanna Elizabeth Visual and Performing Arts Center (REVPAC), the building will also house the Benjamin Contemporary Gallery, a business incubator, and residential apartments.

The Richmond Ferry Church Project is a social enterprise, which will ultimately offer collaborative art spaces, a contemporary gallery, a resource center for arts-related organizations or individuals, and a catering kitchen. Its mission is to advance artistic production, multicultural educational opportunities, and the development of small culinary enterprises.

The third installation site will be Clifton Hall at the Albright-Knox Art Gallery.

For more information, visit [www.albrightknox.org/collection/public-art](http://www.albrightknox.org/collection/public-art).

Help For Homeowners In Foreclosure  
New York State Law requires that we send you this notice about the foreclosure process. Please read it carefully. Mortgage foreclosure is a complex process. Some people may approach you about “saving” your home. You should be extremely careful about any such promises. The State encourages you to become informed about your options in foreclosure. There are government agencies, legal aid entities and other non-profit organizations that you may contact for information about foreclosure while you are working with your lender during this process. To locate an entity near you, you may call the toll-free helpline maintained by the New York State Banking Department at 1-877- BANKNYS (1-877- 226-5697) or visit the Department’s website at [www.banking.state.ny.us](http://www.banking.state.ny.us). The State does not guarantee the advice of these agencies.
