# HAWK Signal Installed

A new pedestrian/cyclist crossing signal is now active on Kenmore Avenue at the intersection of the Rail to Trail trail. The High-Intensity Activated cross-Walk (HAWK) signal is the best technology to assist pedestrians and cyclists to safely cross the street.

For cyclists and pedestrians, the HAWK signal is very similar to a regular crosswalk. When ready to cross the road, the signal is activated by pushing the walk button. The “do not walk” hand signal will remain until cars are signaled to come to a full stop, at which time the walk signal will be displayed.

For drivers, the HAWK signal is a bit different. The HAWK signal remains unlit until a user activates the signal by requesting to cross. The signal will then begin to blink yellow, cautioning drivers to slow, followed by a steady yellow light to signal full stop. The signal will then switch to a red light. Cyclists and pedestrians will then be signaled to cross.

Once the walk time for the cyclist/pedestrian ends, the light will toggle red. At this time, drivers can proceed through the signal during the toggling red light if the crosswalk is clear of people.

## Sabres Playoff Bound?

Having completed the first year of the Jack Eichel era, are the Sabres ready to be a playoff team for the first time since 2010? The top six forwards are strong giving the team two solid scoring lines with Ryan O'Reilly and Jack Eichel at center along with wingers Evander Kane, Sam Reinhart, Tyler Ennis and newcomer Kyle Okposo. It has been difficult for Eichel to develop chemistry with teammates both in Buffalo and at the recent World Cup of Hockey. His skill set is such that he tends to be a one man show at times but he and Reinhart worked well together last season. Ennis, returning from injury, and Okposo should be good for 20+ goals apiece. The bot-

tom six forwards need reinforcements with aging veterans Brian Gionta and Matt Moulson playing out the string. Expectations are big for young veteran Marcus Foligno whose combination of size and skill can be applied with more consistency. The defense corps is one of the leagues weakest with number one Rasmus Ristolainen not even signed at press time.

Newcomer Dmitry Kulikov brings skill and toughness to the top pair while Zach Bogosian adds scoring ability and toughness to the top four. The rest are either young players with more potential than experience or veterans close to the end of their career.

In goal the Sabres need a solid 55 games from Robin Lehner who has shown the ability to be a starter while injuries have prevented kept him from playing that role full time. Overall the Sabres are lacking enough on defense and their bottom six forwards to be considered a legitimate playoff team for now.

By next season, the improvement of their young players should provide the impetus to bring spring-time hockey back to Buffalo.

Jack Eichel

**Apple Pie**

**Ingredients**

- 3 tablespoons all-purpose flour, plus more for dusting
- 3 pounds apples such as Rome, Cortland, or Granny Smith, or a combination, peeled, cored, and cut into 3/4-inch wedges (about 8 cups)
- 1/2 cup sugar, plus more for sprinkling
- 1/2 to 3/4 teaspoon ground spices (combination of cinnamon, ginger, allspice, nutmeg, and clove)
- 1 tablespoon freshly squeezed lemon juice (or orange juice)

**Directions**

Preheat oven to 400 degrees.

On a lightly floured surface, roll one disc of dough into a 12-inch round that's 1/8-inch thick. Fit into a 9-inch pie plate. Set aside in the refrigerator.

In a large bowl, combine apples, sugar, flour, spices, lemon juice, zest, and salt; toss to combine. Pour into lined pie plate. Dot with butter.

Roll second disc of dough into a 12-inch round that's 1/8 inch thick. Lay dough over fruit. Cut vents into top crust. Trim edges to 1 inch over pie pan, and seal, crimping edges with thumb and forefinger. Chill for 30 minutes.

Remove pie from refrigerator. Brush crust with heavy cream, and sprinkle with sugar. Place on a baking sheet; this will catch any juices that may overflow during baking. Bake until pastry is golden and juices in center of pie are bubbling, 45 to 60 minutes. Cool for 1 hour before serving.

Autumn produces abundant apples of many varieties; it's the perfect season to put them to delicious use in a sweet, warm apple pie.

# Ronald McDonald House

**From page 1**

— no matter the amount — can help create big change for families and children in your community.

The Donation Boxes found in local McDonald's Restaurants are one of the biggest ongoing fundraisers for Ronald McDonald House Charities of Western New York:

Last year alone, more than \$120,000 was collected in the counter and drive-thru donation boxes.

A full donation box could let a family stay together at the Buffalo Ronald McDonald House for up to 11 nights while

their child receives care at nearby hospitals.

"A simple act of kindness at the front counter is a powerful gift for our guest families," said Sally Vincent, Executive Director, Ronald McDonald House Charities of WNY.

"When families have to travel outside of their local community for specialized medical care for their child, the Ronald McDonald House provides them with a home away from home so they are able to stay close to their child. A person's spare change can add up to make a big difference for these families. It keeps them close to each

other and to the care and resources their child needs."

About Ronald McDonald House: Providing comfort, strength and stability for families with children in medical crisis, Ronald McDonald House Charities of Western New York has been a "home away from home" for families since 1983.

Located in the historic Buffalo home at 780 West Ferry Street, the organization has provided more than 18,000 family stays through the Ronald McDonald House program.
