School 81 staff and students from left to right Kyle Zajackowski, Leviya Frazier, Sue Brewer, Amie Burr, Lisa Anderson, Denise Cobbs, Natalia Boyd and Braylen Boyd.

School 81 recently participated in the popular Pennies for Patients fundraiser campaign for the Leukemia and Lymphoma Society. In addition, students celebrated Jersey Day by wearing their favorite sports jersey to school and telling us about their

favorite sport is. Here is a sampling of their answers.

### Grade 3

Football. It's my favorite because...Football is my favorite because it has my favorite sport player. I like Sammy Wakins He is a good player. My favorite

football team is Buffalo Bills. The bills will probably become one game short next year.

## The Buffalo History Museum WWI Exhibit

On April 6th, 2017, The Buffalo History Museum will premiere its new World War I exhibit, For Home and Country, marking the 100th anniversary of American involvement in World War I. During the war, our nation lost nearly 117,000 of its bravest men and women. The exhibit will commemorate the sacrifice of

968 lives from Western New York.

Guests will explore their stories and view

rarely before seen artifacts from the collection including home front advertising, uniforms, and

weaponry. A faux-bunker installation will honor the soldiers of the decisive Meuse-Agonne Offensive and a memorial wall within the exhibit will give remembrance to each man and woman who gave the ultimate sacrifice. For more information please call 873. 9644 or visit [www.buffalohistory.org](http://www.buffalohistory.org)

## Keep Superbowl Sunday Safe

Have a "Super" Sunday by designating a sober driver. As one of America's most anticipated and celebrated sporting events, the Super bowl brings together families, friends and fans each year to enjoy the excitement of the big game. In many cases fans will gather to watch the game at sports bars, restaurants or Super Bowl themed parties. Fans don't let fans drive drunk. Avoid the unsportsmanlike conduct of driving drunk by handing over your keys so that you, your passengers and everyone on the roads can safely arrive home.

If you are attending a Super Bowl party or watching the game at a sports bar, make sure you designate a driver before the party begins. If you don't have a designated driver, ask a sober friend for a ride home or call a cab, friend or family member to come and get you. Remember to always buckle up, it is your best defense against other drunk drivers.

If you are hosting a Super Bowl party, make sure to have a sober driver who can help get people home safely or arrange ride sharing ahead of time. Be sure to serve plenty of food and non-alcoholic beverages at your party. Take the keys away from anyone who might be thinking of driving drunk and call them a cab.

Liberty Cab can be reached at 877-7111.

## Sabres Mid-Semester Grades

All too predictable back to back losses at Dallas and Montreal have halted the momentum the Sabres had built with three consecutive OT victories. The Montreal game where Buffalo fell behind 5-0 showed the Sabres as not ready for prime time players. With 34 games to go, here are the teams mid semester grades. Team Grade C- with 49 points tied with Detroit at the bottom of the Eastern Conference and 27th overall out of 30 teams, the Sabres are clearly below average. Player Grades; Kyle Okposo B leading scorer plays solid 2-way game. Jack Eichel B- dynamic exciting player, team scores over a goal per game more when he is in the lineup. His defensive zone mindset is a mystery. Sam Rhinehart C+ great with the puck not great when opponent has it, effort lacking on line changes. Rasmus Ristolainen C+ great skater creates and supports attack, heavy hitter, defensive play suspect too often. Ryan O'Reilly C+ great 200 foot player excels in all aspects of the game, having bad season and he admits as much. He will improve. But he would be leading scorer if hadn't missed 10 games.

Evander Kane C+ streaky scorer has been hot lately dominating games with his speed and shot making big trade with Winnipeg look better. Brian Gionta C+ strong season from 38 year old captain with 12 goals. Jake McCabe C+ thundering open ice hits and 10 points, at +2 one of only 2 D-men with plus. Tyler Fedun C+ pleasant surprise at +4 Ukrainian Canadian leads D corps in +/-.

Matt Moulson C 10 goals 20 points are acceptable but below his pay grade. Marcus Foligno C Ultimate bottom six power forward, leads NHL in hits, will drop gloves to defend teammates honor, would like to see more goals but

gotta love this 2nd generation Sabre. Johan Larsson C injured but on pace for 13 goals - great production from scrappy 3rd line center. Cody Franson C- having decent season despite skating limitations. Justin Faulk C- no offense but defensive play acceptable.

William Carrier D+ has been hot lately, needs and deserves more ice time than 9:03 per game. Zemgus Girgensons D+ decent player miscast here as a 4th liner. Josh Gorges D+ past his prime but effective on third pair has been unfairly thrust into top pair minutes too often. A good foot soldier who gives his all.

Dmitri Kulikov D- his -8 in 23 games projects to team worst -16 over the full 49 games. Zach Bogosian D team worst -13 only five points in 29 games. Tyler Ennis D- two goals in 18 games is unacceptable.

Nicolas Deslaurier D- no points in 23 games. Derek Grant F zero goals in 35 games, waived.

Sabres Kyle Okposo

This Week's Featured Friend:

**IRIS**

This absolutely beautiful lady of appx. 8 yrs of age is looking for a loving home after she was left behind by her previous owner in an apartment. Adoptable cat Oscar was also surrendered with her. Iris needed a little TLC with her skin and fur, but being in a temporary foster home has helped this lovely girl show off her pretty coat which shines more and more every day. Iris also needed surgery to remove a large mass, and also was treated for an infection when she was spayed. This sweet girl probably had one too many litters of puppies, and wasn't allowed time to recover. No worries, those days are over and she can start to get herself into shape. The surgery took a toll on this girl, but she is now recovering nicely and getting the rest and medication she needs to fully heal. She is sweet, loving, looking for attention and just enjoys lounging around. She does well on the walks she takes, and does enjoy her crate. Iris is housebroken and would love nothing more to hang out on a couch and snuggle away. In fact, she has no problem exposing her belly for much needed belly rubs. She appears fine with the resident cats at her temporary foster home, and although she hasn't interacted too much with the dogs (due to her healing), she presents no issues when she is in her crate and they are out and about. Please consider opening your heart and home to Iris and give her a chance to enjoy her older years. If you have any questions about Iris, please email at [Wenron3@yahoo.com](mailto:Wenron3@yahoo.com). Iris is sponsored by Pound Hounds & Friends and she will come with a reduced adoption fee. Honestly, how can you not just fall in love with her.

PRAYER TO ST. JUDE

Most holy apostle St. Jude Thaddeus faithful servant and friend of Jesus, the name of the traitor who delivered your beloved Master in to the hands of the enemies has caused you to be forgotten by many, but the Church honors and invokes you universally as the patron of hopeless cases and of things despaired of. Pray for me who am so needy; make use, I implore you of that particular privilege accorded to you to bring visible and speedy help where help is almost despaired. Come to my assistance in this great need that I may receive the consolations and succor of heaven in all my necessities, tribulations and sufferings particularly (here mention your petition) ... and that I may bless God with you and all the elect throughout eternity. I promise you, O blessed Jude to be ever mindful of this great favor, and I will never cease to honor you as my special and powerful patron and to do all in my power to encourage devotion to you. Amen.
