One Community, One Book Initiative

The Buffalo & Erie County Public Library, in collaboration with several community partners, introduces the “One Community, One Book” initiative, which encourages everyone to read the same book during the month of May 2017. The book chosen is the 2013 runaway bestseller *The Boys in the Boat: Nine Americans and Their Epic Quest for Gold at the 1936 Berlin Olympics* by Daniel James Brown. There is a young-reader edition by the same author, titled *The Boys in the Boat: The True Story of an American Team’s Epic Journey to Win Gold at the 1936 Olympics*.

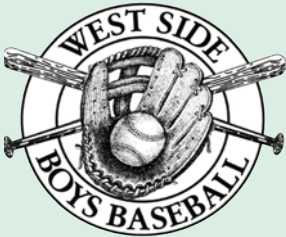

During the month of May, there will be dozens of free public activities and discussions relating to the book. The collaborative project, designed to provide a powerful shared

experience across communities through reading the same book and encouraging dialogue, was initiated by the Clarence Public Library and has grown to include the 37-site Buffalo & Erie County Public Library System and partners including the Town of Clarence Youth Bureau, Monkey See Monkey Do Bookstore, Barnes & Noble Booksellers, University at Buffalo Libraries, the Buffalo Maritime Center, and Bistro Bookers.

A #1 New York Times bestseller, *The Boys in the Boat: Nine Americans and Their Epic Quest for Gold at the 1936 Berlin Olympics* tells the remarkable story of nine working-class Seattle boys attending the University of Washington who, despite significant personal challenges in

Eichel Evolving Into Elite Player

By George Kuhn

While Jack Eichel has dazzled with his skills during his first season and half with the Sabres, it has always seemed that he was capable of much more. Since returning from his preseason injury, Eichel's production has steadily increased to a level that shows he is becoming one of the leagues elite players.

In his last 24 games, since going scoreless on February 2nd, Eichel has played 24 games scoring nine goals and 20 assists. This projects to 31 goals and 68 assists over 82 games. While it would be difficult to replicate that scoring pace over a full season, it is clear that Eichel is at that point per game pace which defines an elite offensive player

in the modern day defensive oriented NHL with his 21-29-50 totals in 54 games projecting to 32 goals and 44 assists over 82 games.

This production increase coincides with Eichels retention of former NHL coach and scoring star Adam Oates as a private tutor. Eichel's emergence as an elite play maker reflects Oates career specialty as a set up specialist. Oates finished his NHL career with 1,079 assists, ranking seventh all time.

Private coaches have proliferated in recent years as coaching staffs don't have time to tutor each player on the subtle nuances of the game. Players seeking a competitive edge use nutrition and fitness experts, so skills coaches

are a natural extension of their drive to be the best athlete they can be. One of the best is Darryl Belfy of St. Catharines who has trained Patrick Kane since he was nine years old and continues in that role. Belfry has also worked with the Sabres Justin Bailey. Seven Stamkos, Zach Paise and Mark Scheifele are just an example of the NHL stars using private coaches.

Adam Oates has assembled a stable of about 50 NHL players including Eichel that he works with. Typically these skills coaches work with them on ice in the summer. During the season they use conferencing software to review video of the players performance, reinforcing their lessons. These coaches typically focus on offensive skills which can help their students in an NHL which focuses primarily on defensive play.

Eichel still needs to learn the grinding style of play that is the modern day NHL Players like Sydney Crosby and Joe Thornton have dominated the league for a decade and longer and are proficient at this style while waiting for their scoring opportunities. Crosby has been the games most skilled player for his career and is also the leagues best grinder. Eichel's -9 this season shows he has room to grow in becoming an all around player. Any great player can be stopped by good defense. Until a teams top stars learn to play defense first, their team will not be a winner. When Eichel grows into that role, the Sabres will become a contender.

PRAYER TO ST. JUDE

Most holy apostle St. Jude Thaddeus faithful servant and friend of Jesus, the name of the traitor who delivered your beloved Master in to the hands of the enemies has caused you to be forgotten by many, but the Church honors and invokes you universally as the patron of hopeless cases and of things despaired of. Pray for me who am so needy; make use, I implore you of that particular privilege accorded to you to bring visible and speedy help where help is almost despaired. Come to my assistance in this great need that I may receive the consolations and succor of heaven in all my necessities, tribulations and sufferings particularly (here mention your petition) ... and that I may bless God with you and all the elect throughout eternity. I promise you, O blessed Jude to be ever mindful of this great favor, and I will never cease to honor you as my special and powerful patron and to do all in my power to encourage devotion to you. Amen.

GALLAGHER PRINTING OFFERS EVERY DOOR DIRECT MAIL® (EDDM) SERVICE

Why use EDDM?

EDDM is more accessible than ever!

No mailing lists to purchase and no postal permit to secure, EDDM is one of the easiest, most affordable ways to market and promote your company.

According to the USPS, **98%** of people check their mail and bring it in each day. **77%** sort through it immediately.

Direct order Business-to-Business direct marketing sales are projected to increase **5.4%** over the next three years.

Mail has helped increase the lift of local ads by **44%** and online campaigns by **62%**.

79% of professionals consider direct mail to be “effective” or “very effective.”

A survey of 64,000 online shoppers revealed households receiving print catalogs shop more often and spend longer periods of time exploring online retail websites than those who don't.
