Family-Friendly Undy Run/Walk in Delaware Park

Hundreds of Buffalo residents will be dressed in boxers and briefs in support of the fight against colon cancer for the Undy Run/Walk Saturday, April 29th at 9 am in Delaware Park. Money raised through this annual event, hosted by the Colon Cancer Alliance, will benefit the Independent Health Foundation’s Good for the Neighborhood program, as well as support the national prevention, research and patient and family support initiatives

of the Colon Cancer Alliance.

Not the everyday 5K, the Undy Run/Walk puts

a fun and clever twist on an uncomfortable topic, sparking much needed conversation about this serious disease. Instead of typical running gear, attendees are encouraged to sport family-friendly, eyebrow-raising attire, such as brightly colored undies,

creative team-branded t-shirts, frilly tutus, or superhero costumes. Included with race registration is a pair of signature Undy Run/Walk boxers; however, participants can get creative with their style choice and team spirit.

“The Undy Run/Walk is an opportunity to spark lifesaving conversations and help make colon cancer something people are comfortable talking about,” says Adina Frazier, Colon Cancer

Ovarian Cancer Project’s 5th Annual Geranium Sale

The Ovarian Cancer Project, founded in 2012 is Western New York’s most trusted resource for women with ovarian cancer.

The organization provides professionally facilitated support groups, mentoring, resources and information for women with ovarian cancer as well as their families. All proceeds of this fundraiser directly support these specific programs, including the organization’s signature “Comfort & Hope” tote given to newly diagnosed women, which is filled with the necessities for chemotherapy, and most importantly a message of hope from fellow ovarian cancer survivors. Sale proceeds also contribute to keeping programs free of charge for current patients and survivors so that support is accessible to all women.

With just over 18,000 plants sold since 2013, these bright & beautiful zonal geraniums are perfect gift for Mother’s Day, your favorite gardener, or

your own home. According to repeat customers, these plants are the best geraniums available. Vivid color choices are Patriot Red, Tickled Pink, Patriot White, Evening Glow Salmon, and Hot Pink Berry Parfait. The group offers special discount pricing for businesses, as well. Each single order includes one full flat of 10 flowering geranium plants in 4.5” pots for only \$34.95.

Sabres Making Visitors Welcome to Keybank Center

By George Kuhn

With the season winding down to a disappointing conclusion, the Sabres had a light week with only a pair of home games. On Sunday April 2nd the New York Islanders dropped the Sabres 4-2 despite missing their star forward John Tavares due to injury.

Then the Sabres reached the low point of their season on Monday April 3rd against Toronto. The Sabres appeared disinterested and disorganized from the opening faceoff and the Leafs took a 3-0 lead on five shots in the games first five minutes. The three goals were scored quickly in a span of 43 seconds.

Goalie Robin Lehner was replaced by Frederik Anderson who finished strong with 39 saves on 40 shots. But it wasn't all on Lehner as the Sabres committed turnovers directly leading to scoring chances. The first period shots on goal were 18-2 in

favor of the visitors with Toronto holding possession of the puck 73% of the period. That's just embarrassing.

After two periods the shots were 29 to 8 and the Sabres had nine giveaways or one more than they had shots on goal. At one point in the third the shots were 42 to 14. That ratio of 3-1 was a fair reflection of the one sided game. The final shots on goal were 45 to 22 for Toronto and was flattering to Buffalo because the Leafs were by far the better team in this game.

Undy Run/Walk in Delaware Park

From page one

Alliance's Special Events Director. "Unlike most cancers, colon cancer is largely preventable and beatable, and the more we can raise awareness, encourage screening, and promote prevention, the closer we get to eliminating this disease."

Throughout the year, the Colon Cancer Alliance hosts more than 23 Undy

Run/Walk events in cities throughout the United States. Nationwide, these events raise more than \$2 million annually. At least 80 percent of those involved in the Undy Run/Walk have a connection to colon cancer. The race is an opportunity to encourage those battling the disease, remember those lost too soon, and celebrate those who have completed

treatment.

In addition to the all-ages 5K, the event also features a 1-mile fun run. Onsite registration begins at 7:30am, and the run/walk begins at 9 am. The Undy Run/Walk starts at the Amherst/Colvin Green Space in Delaware Park. For more information or to register, visit www.undyrunkwalk.org, and click on Buffalo, NY.

the Founder and President of the organization, helps women understand all aspects of their disease so that they are able to learn to advocate for themselves and their health. Maxian points out that "studies show that women with ovarian cancer, who attend support groups and are educated about their disease have better survival." Maxian continues, "There is a real loss

of control with a cancer diagnosis of this type, the women become patients – with routines focused on scheduled appointments, surgeries and chemotherapies. With our help and encouragement whether in our Support Group setting, in our Mentoring Program or One-On-One, we focus on things they can do to begin taking back control of their lives, our services are about as patient focused as you can get."

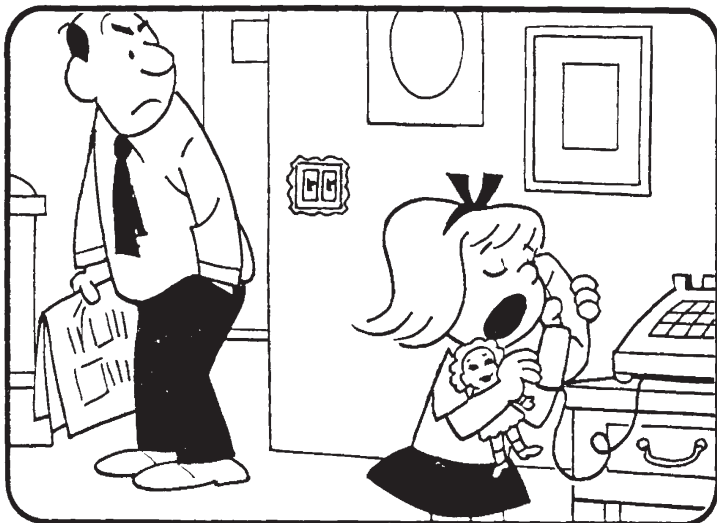

PRAYER TO ST. JUDE

Most holy apostle St. Jude Thaddeus faithful servant and friend of Jesus, the name of the traitor who delivered your beloved Master into the hands of the enemies has caused you to be forgotten by many, but the Church honors and invokes you universally as the patron of hopeless cases and of things despaired of. Pray for me who am so needy; make use, I implore you of that particular privilege accorded to you to bring visible and speedy help where help is almost despaired. Come to my assistance in this great need that I may receive the consolations and succor of heaven in all my necessities, tribulations and sufferings particularly (here mention your petition) ... and that I may bless God with you and all the elect throughout eternity. I promise you, O blessed Jude to be ever mindful of this great favor, and I will never cease to honor you as my special and powerful patron and to do all in my power to encourage devotion to you. Amen.

PEPPER & SPARKY

Pepper and Sparky are a sweet and curious pair of cats. Pepper, who has a white face, is a 2 year old girl and Sparky is a three year old boy. They originally came to the shelter in February of 2016 and were adopted shortly thereafter. Unfortunately their family had to move to an apartment that did not allow pets, so this darling pair returned to the shelter in January. This tuxedo crew are dolls. They are playful, fun and altogether perfect. Pepper and Sparky clearly love each other very, very much and need to be adopted together. Two cats are better than one and when they're as good looking, sweet, and friendly as these two why wouldn't you want both, especially since, thanks to a generous volunteer, their adoption fee has been reduced. Stop by and visit these darling Cats in their window condo at Elmwood Pet Supplies on Elmwood Avenue just north of West Ferry. Sparky Pet ID: 30868847; Pepper Pet ID: 30868838

RAVE REVIEWS
"It is in showing where to find out-of-the-way trout streams that makes the map such a treasure to the fisherman."
—Joe Gordon, TRIBUNE-DEMOCRAT, Johnstown, PA
"I have one of the original Higbee's Stream Map of Pennsylvania on my wall behind my desk. It's the best thing available as far as streams are concerned. I use it all the time for reference. I don't know of anything more extensive and it is the most accurate map out there as far as streams are concerned."
—Dave Wolf, PA Fish and Boat Commission
