

# An Easter Message

By Dr. Glenn Mollette

Easter is almost here and we need it bad. People throughout the world celebrate Easter differently just like people celebrate Christmas differently.

When I was a little boy I remember Easter egg hunts at my Grandma and Grandpa Hinkle’s place. They had lots of yard and egg hiding places and a lot of grandchildren to look for them. I was lucky

if I found one or two eggs with all the competition. People still hunt for Easter eggs and look forward to an Easter basket. There are a couple of chocolate factories

# Bisons Open 2017 Season

The Buffalo Bisons open the 2017 season after two days of rain delays.

By Bill Snyder

After two days of stormy weather last Thursday and Friday, Rowdy Tellez and the Buffalo Bisons, opened

their 30th season in Triple A Baseball this past Saturday with a 4-2 victory over the Scranton-Wilkes Barre Rail Riders, 4-2, in front of over

7,000 fans. A newcomer to the Bisons this season, Tellez, made his presence known by cracking two home runs on his first two at-bats in the second and fourth innings for an early, 2-0 Buffalo lead just as Bison fans had settled into their seats.

Tellez isn’t the only newcomer to the team this season. The 6-foot-4, 220 pound first baseman has picked up right where he left off last season as a member of the New Hampshire Fisher-Cats, the Bisons Double-A team. This season, Tellez is

# Bisons Season Opener

**From page one.**  
still playing for his manager last year in Bobby Meacham, the new Bisons manager. Meacham becomes the 20th Bison skipper in the teams' modern history after he was promoted to the Bisons by the Blue Jays early this year. Now, after three games, the team has gotten off to a great start at 4-0 w-l after weekend games and a win Monday against the Rochester Red Wings, ready to celebrate a special season on the same site as a former Governor and Buffalo Mayor once did thirty years ago. With just a couple of name changes, the diamond at One James D. Griffin Plaza still remains the same and shines the red, white and blue of the Buffalo Bisons. For the fifth year in a row, the Herd is the triple A affiliate of the nearby Toronto

Blue Jays baseball team located just across the border in Canada about 90 minutes away.  
Projected starting pitcher Casey Lawrence was called up by the Blue Jays earlier in the day so Meacham inserted right hander Jarrett Grube to take his place on the mound. The Rail Riders feature a heralded line-up as the Triple A affiliate of the New York Yankees. Some of their players include names who have appeared in Yankee Stadium already. Second baseman Rob Refsnyder and others like Clint Frazier, Ty-

ler Wade and Dustin Fowler are in the top of the order for future Yankees careers.  
But the Bisons were ready for the task on this day, as they were 30 years ago, when Bison owners Bob and Mindy Rich welcomed former Governor Mario Cuomo and then Buffalo Mayor Jim Griffin to Pilot Field April 14th, 1988. Bison catcher Tom Prince cracked a solo home run in the third inning and pitcher Scott Patterson kept the Denver Zephyrs off the scoreboard for a 1-0 victory. It's been a Celebration ever since!

# Easter Message

From Page one.

in our town and it's a home run week for them filling up Easter baskets.

Most Christians around the world will celebrate Easter in Church. Easter is the prime time Sunday of the year for the church. If a church cannot get a crowd on Easter then there will not be any crowds the rest of the year.

Easter is the Sunday when most churches have to bring out the folding chairs and park on the side of the road, the grass or down the way. By and large more Christians will dress up a

bit more for church on Easter. Some people will have a new dress or suit or kids will have a new Easter outfit to wear. Or, if they don't always dress up for church some will make an effort to dress just a bit better than usual because it's Easter. Please do remember though if it's a good church they are glad you are there regardless of how you can afford to dress!

Christian people around the planet stake their lives and eternal destinies on the message of Easter - the resurrection of Jesus Christ. The New Testament time and time again reiterates

this part of the Bible story, "He is risen!" Easter is about hope. Easter is about peace. Easter is about a new life and a second chance. Easter is about bringing focus and meaning to this life and this world.

America and really our world truly need a song to sing, a bell to ring and a hero to follow. Great people stand and fall and we all come and go. The message of Easter and a living Jesus continues to give hope, peace and strength to people around the world. This year not much has changed as once again, we need it really bad.

This Week's Featured Friend:

**MARTHA**

Say hello to Miss Martha Mae the wonder pup. Martha came to the shelter in terrible shape and has blossomed in her foster home. This boxer mix is smart, has just the right level of spunk and loves to cuddle in the most unusual positions. Inside the house she is calm and mellow but get her outside with her friends and she'll turn on the zoomies. She currently lives in a foster home with 2 other dogs, a couple teenage boys and didn't seem to care much about cats when she met them. Miss Martha is crate trained, goes to the bathroom outside and is working on obedience training. If you'd like to hear more about this amazing girl please contact her foster mom at [ssgravino@gmail.com](mailto:ssgravino@gmail.com).

**Why every angler and boater needs this map**

Professor Higbee's Stream & Lake Map of New York is the first and only highly detailed map of its kind. The 3.5-foot-by-4.5-foot New York map shows 65,000 miles of streams plus lakes.

Armed with the information in this new and exclusive 24-page report--you could be in for the fight of your life.

**RAVE REVIEWS**

"It is in showing where to find out-of-the-way trout streams that makes the map such a treasure to the fisherman."  
—Joe Gordon, TRIBUNE-DEMOCRAT, Johnstown, PA

"I have one of the original Higbee's Stream Map of Pennsylvania on my wall behind my desk. It's the best thing available as far as streams are concerned. I use it all the time for reference. I don't know of anything more extensive and it is the most accurate map out there as far as streams are concerned."  
—Dave Wolf, PA Fish and Boat Commission

The STREAM & LAKE MAP OF NEW YORK resembles another map--known to Pennsylvania anglers as the "Lost Stream Map."

It was completed in 1965 after a 30 year effort by Howard Higbee, a former Penn State Professor.

Professor Higbee painstakingly plotted by hand, the location of 45,000 miles of streams onto the map. It sold extremely well - until the printer declared bankruptcy and hauled Higbee's work to the landfill.

But reprints were impossible because the maps were printed in non-photographic blue. Higbee was even offered \$400 for one of his last maps. And state agencies were forced to keep their copies under lock and key.

Then, at the age of 91, Howard Higbee's dream came true. Computers made it possible to reprint the map.

Then the STREAM & LAKE MAP OF NEW YORK was created.
