# Hertel Receives New Trash Corrals

The first of 27 new garbage tote corrals was installed near the corner of Hertel and Commonwealth Avenues this week. These corrals will make trash disposal along the busy commercial corridor easy, while adding an artistic element. The remaining 26 corrals will be installed by the City's Department of Public Works and Streets over the next week.

"These custom-forged iron corrals are extremely attractive, as well as functional. They are a stylish solution to provid-

ing pedestrians with easy access to garbage and recycling totes. Not only do

they camouflage the totes, the corrals also keep the totes from blowing over," Mayor Brown said. "With so many new businesses on Hertel Avenue, and many existing businesses expanding and updating their facades, we wanted an eye-catching solution to offering more sidewalk totes."

The forged iron tote corrals were fabricated by Arc Iron Creations, a Buffalo company. The 27 corrals, which cost a total of \$49,410, were ordered under the city's contract with Arc Iron Creations.

# Buffalo Moves Together to Fight Parkinson's Disease

The National Parkinson Foundation in partnership with its Western New York Chapter is holding Moving Day®, a fundraising walk for Parkinson's disease in Buffalo. Moving Day will be held at Coca Cola Field, on September 10th from 8 am - 12 pm. The walk will feature a "Movement Pavilion," with activities such as boxing, Tai Chi, dance and much more. Studies show that movement is highly beneficial, and it is proven to help manage the symptoms of Parkinson's, easing pain, improving flexibility and increasing mobility. The aim is to encourage people to stay active and move for better health. There is also a Mission Tent, where visitors can experience

simulations of what it is like for someone who has Parkinson's. Each station is hands on for all to try. Some examples of these stations are buttoning a shirt with gloves on and using a shaking spoon to try and eat. People who take part in Moving Day become part of a nationwide movement to help every person diagnosed with Parkinson's live their best life possible now by supporting education and outreach, cutting-edge research, advancement of clinical care through healthcare professional training and raising general awareness about the disease.

## United Way Day of Caring Event

More than 3,600 volunteers gathered Wednesday morning to celebrate the 100th Anniversary of the United Way of Buffalo & Erie County at KeyBank Center prior to spending the day volunteering as part of the organization's annual Day of Caring volunteer event. To celebrate reaching the century milestone there was a ceremonial cake cutting and remarks by UWBECE President and CEO Michael Weiner. Day of Caring is the area's largest community service event with more than 148 organizations and labor unions participating, assisting 138 nonprofit organizations.

Reaching its own significant milestone of 25 years this year, Day of Caring pairs volunteers with local nonprofit agencies to provide extra help for projects that may include cleaning, painting, landscaping, reading to children and performing numerous other volunteer services. The extra time, talent and support allows local agencies to use their resources in service of their mission in the community. Over its 25 year history, more than 451,000 volunteer hours of service have been shared with local nonprofit agencies, saving approximately \$8.4 million.

Organized by the United Way of Buffalo & Erie County and sponsored by GEICO, HSBC, National

**Volunteers gather at HSBC Arena for the day's event.**

Grid and Wegmans, Day of Caring has become an annual tradition for local organizations and labor unions, providing an opportunity for everyone to work together and contribute to local organizations that strengthen the community.

Michael Weiner commented, "From the earliest days of the United Way, the local corporate community and labor unions have been integral in helping us fulfill our mission. With 3,600 employees representing 148 companies here today, it is only fitting that we kick off the celebration of 100 years in the Western New York community at Day of Caring. I can just imagine how delighted our founders would be to see the incredible support of individuals and business-

es here today to dedicate their time and talent in service to our local nonprofit community. And, we know from 25 years experience, that Day of Caring also helps to make long term connections between volunteers and nonprofit organizations that can lead to future volunteering and support."

After the kick-off rally and anniversary celebration, volunteers from companies and organizations were bused to individual project sites to work throughout the morning and then returned to the arena for lunch and entertainment. The luncheon event also included a volunteer fair where participants could learn more about nonprofit services and identify opportunities to get involved beyond Day of Caring.

SPORTS

Athletics are Number 1

In last week’s edition of this paper, we printed a team photo of the Major Girls Playoff Champions, the Athletics. The A’s won their second Championship in as many years, upsetting the Dodgers in two games, 5-0 and 8-5 in the double elimination playoffs that ended Monday July 31st in Shoshone Park.

It was an awesome year for the green and gold. Almost half of the 13 girls in this tight-knit group, played together last season and used their experience to teach the newer faces the magic of North Buffalo Softball. Team manager Trey Gardner has been working with players like Liz Kooshoian, Julianna Verni, Emma Vargas, Lena DeBell and Molly Sheehan since they were young in t-ball or Rookie Divisions.

“To see them accomplish this is gratifying,” said Gardner, “but it’s also sad to watch it all end. The girls all worked hard and ‘hit the bucket’ in their own way.”

With just six wins during the regular season, the A’s were the best of the rest against the Cardinals and Rockies. A 7-0 shut out win over the first place Dodgers way back in May, put an undefeated season for the L A team, to an end. With excellent pitching by Kooshoian or Verni, the Athletic defense kept the scores low. Evie Gardner was the teams’ leadoff hitter at the plate who helped set the table. Newcomers Josie Longo, Ryley Kiebzak, Mikayla Holt and Shoshana Hertz all contributed in their own way.

In the final game, A’s pitcher Lena DeBell got herself into a jam in the bottom half of the last inning. With runners on second and third, and the Dodgers threatening, DeBell threw a change up that caught everyone by surprise and brought the squad to jubilation at home plate.

“The Dodgers had a good team,” said Gardner afterward. “They gave us one heck of a fight. But these girls worked just as hard for us all season and gave it their all. Other girls on the A’s included Ellie Buchholz, Olivia Foglia-Leffler and Talia Mogavero. Congratulations to the green and gold. Three more divisions have wrapped up their Championship seasons since the end of last month. Two more divisions are in the midst of their playoffs or will be soon. The Shamrocks won the Rookie Girls Division. The Cubs won in Major boys and the Twins won in First Minor. We’ll have

information on all the action in coming weeks.

This past weekend, North Buffalo again played host in Shoshone Park to the 10th annual Buffalo Cup Tournament played every year the first weekend in August. In 2008, the nearby River Rock Baseball League and Hertel North Park sat down prior to their seasons and set up a competitive tournament against each other for “bragging rights” in City of Buffalo Leagues. By 2010, another League joined the competition from South Buffalo.

The next year, West Side Boys and Girls came on board. The winner each year would host the Tournament the following year. Boys teams were broken into four age brackets, eight years old and under, ten and under, twelve and under and fifteen and under. Girls teams were made up of twelve and under and sixteen and under.

All four Leagues have teams comprised in all age brackets. The hope is to keep baseball and softball Leagues inside the City limits strong and vital to a good way to spend a summer playing ball in neighborhood parks. River Rock plays in Riverside Park, West Side plays at LaSalle Park and South Buffalo plays their games at Okell Field off of South Park Avenue. This year’s Tournament had to be played on two separate weekends due to rain on August 5th.

Many Leagues serve as the beginnings of organized ball for boys and girls in the various City High School leagues. Baseball and Softball games are great as long as the interest stays strong.

Nala is a pretty girl that loves her toys, going for walks and getting in a snuggle or two while climbing in your lap. She appears to be housebroken but you always need to give a dog time to adjust in a new home as a new routine can be puzzling to them at first. Nala must go to a home where she will be the only pet. She has let us know that she enjoys the company of people over other animals. Nala is treat motivated which is great for training purposes and she most certainly enjoys a good ole fashioned belly rub. Can you be the one to give Nala the home she is so deserving of having?

## A Day of Caring

This year, employees from KeyBank volunteered as "Bigs For A Day" with Big Brothers Big Sisters of Erie County(BBBSEC) as part of the United Way of Buffalo & Erie County's Annual Day of Caring. Each KeyBank employee was paired with a child that is currently on the waiting list for a volunteer mentor. To help break the ice, the new friends began their day with a snack and "Get To Know You" activity sheet that had them compare answers to questions like favorite food and color. They then participated in a number of fun activities coordinated by agency staff. Among the favorites for the day were outdoor games including sack races, a summer version of Bingo using the word BEACH and

making bookmarks that resembled the popular Minion characters.

"We are so grateful to the United Way and companies like KeyBank that come out each year to volunteer for a day with us", shared Thomas Gaugliardo, CEO of Big Brothers Big Sisters of Erie County. "This is a great opportunity to give our kids waiting for a mentor a fun day out and to educate others about the work we do in the community." Big Brothers Big Sisters of Erie County has a need for volunteer mentors year round to have fun and make a difference in the lives of local children. ## Kiwanis Fishing Derby

From page one. nity service organizations and volunteers spend a few hours making a considerable impact on the development of Buffalo City youth. For many of the day camp participants this is the only time they have had an opportunity to go

fishing. To see the excitement that the children have when they catch a fish is priceless. The Elmwood Kiwanis Club is a great example of a community partnership that works closely with the Delaware Family YMCA to support youth and families.

PRAYER TO ST. JUDE

Most holy apostle St. Jude Thaddeus faithful servant and friend of Jesus, the name of the traitor who delivered your beloved Master in to the hands of the enemies has caused you to be forgotten by many, but the Church honors and invokes you universally as the patron of hopeless cases and of things despaired of. Pray for me who am so needy; make use, I implore you of that particular privilege accorded to you to bring visible and speedy help where help is almost despaired. Come to my assistance in this great need that I may receive the consolations and succor of heaven in all my necessities, tribulations and sufferings particularly (here mention your petition) ... and that I may bless God with you and all the elect throughout eternity. I promise you, O blessed Jude to be ever mindful of this great favor, and I will never cease to honor you as my special and powerful patron and to do all in my power to encourage devotion to you. Amen.
