This Week's Featured Friend:

CAT BENETAR

Cat Benetar is a large and in charge, chunky, yet funky gal. Although she came to us as a stray, she was large and well fed. Cat is sweet with people but doesn't appear to be a huge fan of other cats. She may warm up to them after a slow introduction in a home setting. Mostly she just wants to cuddle with people. Her fur is as soft as velvet and is coolly marked, so snuggling with her will probably become a favorite pastime for both of you. Cat is 9 years old, but has many years of cuddling left. Come down and meet this beautiful girl at the City of Buffalo Animal Shelter. Pet ID: 36372232

Five Thoughts About The Sabres

1. Keep Sam Rhinehart on a line with Jack Eichel. Coach Phil Housley started the season using Rhinehart at center, his natural position, on a third line. The results were underwhelming with only five points in 17 games. In one game back with Eichel a 5-4 loss to Pittsburgh on Tuesday Nov. 15th he had one goal and two assists. In reality Rhinehart is not a top six NHL forward. He would be a third line player on any good team. He plays a good game technically but doesn't score very often and his skating speed is sub standard. As a winger his lack of high end speed is less of an issue with Eichel assuming most of the puck carrying chores and he can provide some scoring support for Eichel's playmaking.

2. Eichel may have had his strongest game of the season in the loss to Pittsburgh with his Gordie Howe hat trick a goal, assist and a fight.. The goal was his first after going scoreless in eight games with only three assists. His primary assist to set-up Evander Kane's goal was typical of Eichel's playmaking skills. When Pittsburgh's Ian Cole leveled Rhinehart with a legal open ice hit, Eichel immediately dropped his gloves and went after Cole. While you don't want

to see him break a finger fighting, Eichel showed a team spirit in defending his teammate which has been missing since the trade of Marcus Foligno.

3. It was good to see the Sabres offense come alive with four goals after scoring only once in five of their last eight games. But their inability to hold leads at 3-1 and 4-3 is typical especially against Pittsburgh. After taking leads, the team has a tendency to sit back and let the opposition attack, rather than continue to attack themselves in the manner that allowed them to get the lead.

The Penguins overtime winner resulted from Buffalo's poor defensive zone play. Evander Kane failed to hold Sydney Crosby on the backboards, and Eichel was caught between covering two players when Nathan Beaulieu failed to hustle and pickup the eventual goal scorer Connor Sheary. Crosby centered the puck to Sheary and the game was over.

4. Other than the first period this was a game

where the Penguins dominated the Sabres the rest of the night and held an 81-45 edge in shot attempts. The lucky bounces went Buffalo's way for once and were a primary reason the Sabres were competitive on the scoreboard.

5. The Sabres made line changes an emphasis in a recent practice, especially second period changes. When teams switch ends after the first period, your goaltender is at the far end of the ice. So when you're killing penalties or get pinned in your own end for extended periods, it's more difficult to get players to the bench to change than during the first and second periods when the bench is at your own end. The Sabres have been outscored 23-15 in second periods this season.

Interestingly Josh Gorges commented that players need to increase the urgency with which they come to the bench. In other words, hustle when you are getting off the ice so your replacement can get out there. Really? This was a problem last year with Coach Dan Bylsma. Bylsma was fired and 50% of the roster has been replaced and this is still a problem? Maybe the players can work on this over the summer so they are ready to start the season with good changes next year.

Stream & Lake Map of New York

Why every angler and boater needs this map
 Professor Higbee's Stream & Lake Map of New York is the first and only highly detailed map of its kind. The 3.5-foot-by-4.5-foot New York map shows 65,000 miles of streams plus lakes.

LOST STREAM MAP
 The STREAM & LAKE MAP OF NEW YORK resembles another map--known to Pennsylvania anglers as the "Lost Stream Map."
 It was completed in 1965 after a 30 year effort by Howard Higbee, a former Penn State Professor.
 Professor Higbee painstakingly plotted by hand, the location of 45,000 miles of streams onto the map. It sold extremely well - until the printer declared bankruptcy and hauled Higbee's work to the landfill. But reprints were impossible because the maps were printed in non-photographic blue. Higbee was even offered \$400 for one of his last maps. And state agencies were forced to keep their copies under lock and key.
 Then, at the age of 91, Howard Higbee's dream came true. Computers made it possible to reprint the map.
 Then the STREAM & LAKE MAP OF NEW YORK was created.

BONUS #1 **GUIDEBOOK:** Pinpoint the best fishing in New York with this valuable guide. Easily locate over 3,000 streams and 1,200 lakes shown on the "Stream & Lake Map." Your map guide will take you to the top 1,123 select water for 19 species of gamefish.

BONUS #2 **REPORT: Finding Secret Fishing Spots**
 47 tips, tactics and tools you can use to find your own secret spot and catch more fish.

BONUS #3 **REPORT: How Anglers Stalk and Catch Record Fish**
 The average big fish has evaded capture for over 10 years. Find out which instincts set them apart from smaller fish. Stalking and catching a trophy requires knowledge of their unique habits and those special times when their guard is down. Armed with the information in this new and exclusive 24-page report--you could be in for the fight of your life.

RAVE REVIEWS
 "It is in showing where to find out-of-the-way trout streams that makes the map such a treasure to the fisherman."
 —Joe Gordon, TRIBUNE-DEMOCRAT, Johnstown, PA
 "I have one of the original Higbee's Stream Map of Pennsylvania on my wall behind my desk. It's the best thing available as far as streams are concerned. I use it all the time for reference. I don't know of anything more extensive and it is the most accurate map out there as far as streams are concerned."
 —Dave Wolf, PA Fish and Boat Commission

FINAL SECTION 4(f) EVALUATION

PROJECT IDENTIFICATION NO. 5470.22

NEW YORK STATE ROUTE 198 (SCAJAQUADA EXPRESSWAY) CORRIDOR PROJECT
(ERIE COUNTY, NEW YORK)

The New York State Department of Transportation (NYSDOT) is developing the Scajaquada Corridor Project for the reconstruction of New York State (NYS) Route 198 (Scajaquada Expressway) in the City of Buffalo, Erie County, New York. The purpose of the project is to provide geometric and operational improvements to NYS Route 198 in its current location from the Grant Street interchange to the Parkside Avenue intersection, including the segment through Delaware Park. These improvements would be made while maintaining local connectivity and a critical transportation link between Interstate 190 and NYS Route 33 (Kensington Expressway) and providing enhanced compatibility with adjacent land uses. The total length of the project is 2.2+/- miles, all within the City of Buffalo.

Preliminary design plans for the project have been developed by NYSDOT after coordination with federal, state and local agencies, and outreach to the public. A Final Design Report/Final Environmental Impact Statement/Final Section 4(f) Evaluation (FDR/FEIS) have been prepared for the project. The FDR/FEIS assesses the project's effect on the quality of the human environment in accordance with the provisions of Section 102(2) (c) of the National Environmental Policy Act of 1969 P.L. 91-190 (NEPA). Copies of the FDR/FEIS will be available for review and copying during business hours, after November 17, 2017, at the offices of the:

- Regional Director, New York State Department of Transportation, 100 Seneca Street, Buffalo, NY 14203;
- Office of the Commissioner, New York State Department of Transportation, 50 Wolf Road, Albany, NY 12232;
- Office of City Clerk, City of Buffalo, 1308 City Hall, Buffalo, NY 14202
- Buffalo & Erie County Public Library, Downtown Location, 1 Lafayette Square, Buffalo, NY 14203;

The FDR/FEIS will also be available electronically on the project website: <https://www.dot.ny.gov/scajaquadacorridor>.

A compact disk containing the FDR/FEIS will also be available at the following locations:

- E.H. Butler Library, Buffalo State College, 1300 Elmwood Avenue • Buffalo NY 14222
- Medaille Buffalo Campus Library, 18 Agassiz Circle, Buffalo, New York 14214
- Andrew L. Bouwhuis Library, Canisius College, 2001 Main St, Buffalo, NY 14208

Comments on the FDR/FEIS should be sent to:

Craig Mozrall, P.E., Regional Special Projects Manager, New York State Department of Transportation, Region-5, 100 Seneca Street, Buffalo, NY 14203;

or

Peter Osborn, FHWA Division Administrator, Leo W. O'Brien Federal Building, 11A Clinton Avenue, Suite 719, Albany, NY 12207;
Or

Submitted by email to scajaquadacorridor@dot.ny.gov.

This notice marks the initiation of a 30-day public comment period on the Final EIS (FDR/FEIS). This comment period, which will be open through December 18, 2017, has been established to provide the public with an additional opportunity to submit comments before FHWA and NYSDOT complete the environmental review necessary to advance the project. New or substantive comments received which were not previously addressed in the FDR/FEIS will be responded to as part of the Record of Decision (ROD).

-against-
MARK A. DEMPSEY a/k/a MARK DEMPSEY, et al., Defendants.

TO THE DEFENDANT(S): MARK A. DEMPSEY A/K/A MARK DEMPSEY YOU ARE HEREBY SUMMONED and required to serve upon plaintiff's attorneys an answer to the complaint in this action within twenty (20) days after the service of this Summons, exclusive of the day of service, or within thirty (30) days after service is complete if the Summons is not personally delivered to you within the State of New York. The United States of America, if designated as a defendant in this action, may answer or appear within sixty (60) days of service hereof. In case of your failure to answer, judgment will be taken against you for the relief demanded in the complaint. Trial is desired in the County of Erie. The basis of venue designated above is that the real property, which is the subject matter of this action, is located in the County of Erie, New York. NOTICE: YOU ARE IN DANGER OF LOSING YOUR HOME IF YOU DO NOT RESPOND TO THIS SUMMONS AND COMPLAINT BY SERVING A COPY OF THE ANSWER ON THE ATTORNEY FOR THE MORTGAGE COMPANY WHO FILED THIS FORECLOSURE PROCEEDING AGAINST YOU AND FILING THE ANSWER WITH THE COURT A DEFAULT JUDGMENT MAY BE ENTERED AND YOU CAN LOSE YOUR HOME. SPEAK TO AN ATTORNEY OR GO TO THE COURT WHERE YOUR CASE IS PENDING FOR FURTHER INFORMATION ON HOW TO ANSWER THE SUMMONS AND PROTECT YOUR PROPERTY. SENDING A PAYMENT TO YOUR MORTGAGE COMPANY WILL NOT STOP THIS FORECLOSURE ACTION. YOU MUST RESPOND BY SERVING A COPY OF THE ANSWER ON THE ATTORNEY FOR THE PLAINTIFF (MORTGAGE COMPANY) AND FILING THE ANSWER WITH THE COURT. HELP FOR HOMEOWNERS IN FORECLOSURE New York State Law requires that we send you this notice about the foreclosure process. Please read it carefully. Summons and Complaint You are in danger of losing your home. If you fail to respond to the summons and complaint in this foreclosure action, you may lose your home. Please read the summons and complaint carefully. You should immediately contact an attorney or your local legal aid office to obtain advice on how to protect yourself. Sources of Information and Assistance The State encourages you to become informed about your options in foreclosure. In addition to seeking assistance from an attorney or legal aid office, there are government agencies and non-profit organizations that you may contact for information about possible options, including trying to work with your lender during this process. To locate an entity near you, you may call the toll-free help-line maintained by the New York State Department of Financial Services at 1-800-342-3736 or visit the Department's website at www.dfs.ny.gov. RIGHTS AND OBLIGATIONS YOU ARE NOT REQUIRED TO LEAVE YOUR HOME AT THIS TIME. You have the right to stay in your home during the foreclosure process. You are not required to leave your home unless and until your property is sold at auction pursuant to a judgment of foreclosure and sale. Regardless of whether you choose to remain in your home, YOU ARE REQUIRED TO TAKE CARE OF YOUR PROPERTY and pay property taxes in accordance with state and local law. Foreclosure rescue scams Be careful of people who approach you with offers to save your home. There are individuals who watch for notices of foreclosure actions in order to unfairly profit from a homeowner's distress. You should be extremely careful about any such promises and any suggestions that you pay them a fee or sign over your deed. State law requires anyone offering such services for profit to enter into a contract which fully describes the services they will perform and fees they will charge, and which prohibits them from taking any money from you until they have completed all such promised services. The foregoing Summons is served upon you by publication pursuant to an order of HON. Mary L. Slisz, Justice of the Supreme Court of the State of New York, signed on 16th day of October, 2017, in Buffalo, New York and to be duly entered in the Erie County Clerk's Office, Buffalo, New York. The Nature of this action pertains to a note and mortgage held by Plaintiff on real property owned by the above named defendants as specified in the complaint filed in this action. The above named defendants have failed to comply with the terms and provisions of the said mortgage and said instruments secured by said mortgage, by failing and omitting to pay the balance due and owing and the Plaintiff has commenced a foreclosure action. Plaintiff is seeking a judgment foreclosing its mortgage against the real property and premises which situates in the Town of Cheektowaga, County of Erie and State of New York and is commonly known as 18 Saint Paul Ct., Cheektowaga, New York 14225 and all other relief as to the Court may seem just and equitable.
