## BPO Returns to North Park

On Thursday, July 5th, New York State Senator Chris Jacobs and Delaware District Council Member Joel Feroletto will

bring the Buffalo Philharmonic Orchestra to North Buffalo residents as part of their free summer season concerts.

**North Park Academy will host the Buffalo Philharmonic Orchestra for the second annual free concert on the lawn.**

The concert will take place on the lawn of North Park Academy (780 Parkside) with a family oriented program. Some of Buffalo's best food trucks will offer concessions on site. On the BPO's summer concerts, Conductor Stefan Sanders said "it's a quintessential summer experience for a lot of people. They bring their picnics and their lawn chairs, the kids are playing while they listen. It's a great time for everyone and a great way to experience music."

Festivities for the North Park Academy show start at 6:00 pm, music at 7:00 pm.

## Hazardous Waste Day

Mayor Byron W. Brown announced that the City of Buffalo will sponsor a Household Hazardous Waste Day on Saturday, July 7th from 9:00 am to 2:00 pm at BPS #66 North Park Academy, located at 780 Parkside Avenue.

On Household Hazardous Waste Day, the City of Buffalo Department of Public Works, Parks and Streets will collect a number of every day household items which are no longer in use by residents and should not be thrown away with regular garbage or in curbside recycling carts.

Some of the items accepted include pesticides, fertilizers, pool

and household chemicals/cleaners, oil-based paints, spray cans, paint thinner, stripper and solvents, batteries, oil, gasoline, kerosene and antifreeze, tires, electronic waste and fluorescent light bulbs.

"This is a safe, smart, and free way of disposing of materials that could be hazardous to residents, and we encourage people to start saving these items now and drop them off to us on June 11th", said Mayor Brown.

All items will be disposed or recycled in a responsible and environmentally safe manner. For more information, please call 311 or 851-4890 or visit [www.buffalorecycles.org](http://www.buffalorecycles.org).

## Starry Night

The stars came out early last Thursday night in Shoshone Park and it wasn't even too dark to play. That's because North Buffalo Baseball and Softball held its annual league All-Star games before several hundreds of parents on hand to watch their sons and daughters play against the very best that Hertel North Park has to offer this season.

The 62 year old league took a break from its regular season schedule to have nine games played over four hours, simultaneously, one from each of the in-house divisions that make up the North Buffalo program.

Boys and girls were selected by their coaches and team managers as to who would play against the best of the best this season. All fifty house teams were represented with a player or two and the results proved to be most entertaining as well as exciting. As one board member put it later that night, "its probably one of the best things about our league that we don't even realize until it happens."

Everyone who played and participated afterward received a red, white and blue laced medallion to wear around their neck from the league as proof of their All-Star status. By 8 o'clock, when two more

games began, game results meant little to how much fun was had on a beautiful night for baseball or softball in North Buffalo.

A lot of action out on the diamonds every night and on Saturdays. Here's a rundown of scores and highlights. In Major Boys, Padrig Mulhern pitched three innings in relief after teammate Max Ilecki stepped to the plate and blasted a two run home run for the Reds in a 9-4 victory over the Cardinals. It was just the teams third win of the season but they've been playing better as of late. The Cubs defeated the Giants, the Dodgers topped the Nationals and the Braves upended the Mets. Each team can surprise on any given day.

In Major Girls, the Astros hold a one game lead over the Dodgers in the division with a 8-2 record. But that could change with another loss to the LA team, especially an 8-6 defeat. The Dodgers post an awesome pitching staff in Ella Valente, Kira Kilonsky and Molly Galvin and have fought hard for wins over the Rockies and Cardinals for second place. Dani Hatch shines for a struggling Rockies team, looking for consistency while the Cards look to play spoiler to anyone come playoff time.

In First Minors, the

Twins remain undefeated atop the division and while they got Saturday "off" the White Sox kept pace with a big win over the Tigers. Ryan Mahoney threw strikes and players like Angel Lynch or Andre Jackson can produce a timely hit in a game to prevent another loss. The team is 7-2 and battling the Mariners for second place. The Blue Jays squeaked out a 12-11 win over the Yanks Saturday.

In Minor Girls, the Indians shut out the Giants Saturday, 6-0 while the Yankees kept pace with the front-running Indians in a 6-3 victory over the Orioles. With just two losses this season, the Indians have won seven of their last eight games and are readying for the playoffs.

It won't be long before the playoffs start. Teams are wrapping up the regular season and some have clinched first place already with just a game to play. Make up games need to be played as well before the postseason begins. Playoff games should begin for most divisions by Saturday, July 7th. Coaches are struggling to make sure all their team players are eligible for the playoffs. Any child not present at all team games is certainly not what the Hertel North Park Youth Baseball League is all about.

# A Long, Hot Summer

All the indicators suggest that we are in for a long, hot summer and that's not good news for seniors.

National Oceanic and Atmospheric Administration, the National Weather Service and even the Farmer's Almanac predict well above average warmth in the coming months.

The Centers for Disease Control and Prevention reports that during an average summer about 175 people die from the heat. But when things heat up above the norm, the numbers of such deaths can skyrocket.

You can tell if the

heat is getting the best of you when you experience symptoms such as muscle cramping, fatigue headache, nausea, vomiting, dizziness or fainting.

There's not much you can do about the weather, but you can take some precautions when temperatures start to climb. Drink water or fruit juice and avoid caffeinated drinks such as coffee or tea [caffeine is dehydrating]. Find a cool spot, such as a room with good ventilation or, better yet, a room that is air-conditioned. If you find yourself out of doors, stay in the shade as much as possible and don't forget to wear a hat. Choose the

clothes you wear carefully. Make sure your clothing is lightweight and light-colored and that it isn't constricting.

AMAC also suggests that you keep tabs on elderly relatives and neighbors when it is hot and humid. Be aware that the humidity can prevent sweat from evaporating, in turn reducing its normal cooling effect. So Look in on them from time to time during long stretches of hot weather.

"Bear in mind that many seniors suffer from poor circulation and may feel too 'cold' to sit tight in an air-conditioned room. The medications they take, likewise, can affect blood pressure and respiration, particularly during times of extreme heat," says Weber.
