The 2021 National Buffalo Wing Fest will be taking place Saturday, September 4th and Sunday, September 5th.

tendees can also enjoy the benefit of free parking. The event will now be an all-day affair instead of the limited timed sessions, dedicated wing lovers can enjoy the festival at their own pace. Pre-sale tickets and tickets at the gate are \$20 per person, which includes the free parking. The event is La-

bor Day weekend Saturday September 4th from 12pm – 9pm and Sunday September 5th from 12 pm – 7 pm. The festival will again include crazy contests, live music, and the best chicken wings locally and from across the country! Successful 6 In 6 At Delaware Park

After a very virtual summer last year, live music is back! The Buffalo Philharmonic Orchestra and Buffalo Olmsted Parks Conservancy teamed up this summer to organize the 6 Concerts in 6 Parks series. The 6 concerts were set to take place in 6 different Olmsted parks throughout the City of Buffalo every Thursday night from July 8th until August 12th.

Last week was the sixth and final scheduled concert at our very own Delaware Park. The free event was the perfect way to enjoy the wonderful weather and listen to various talented musicians from the brass section of the BPO. The lush greenery and sunlight at our Olmsted Park were a match made in heaven for the

bright and melodic sound of the brass band.

In true North Buffalo fashion, the event was dog, kid and bike friendly as many chose to take the short commute over to the park and brought a few snacks and drinks with them to enjoy the performance. As the hour-long event neared the end, the sun began to set behind the trees creating the per-

BPO Band performing at Delaware Park.

T&M Week 7: Grosh w/ Tedesco Knows Best

Thursday & Main, presented by M&T Bank, continues this Thursday, August 19th from 5pm to 8pm at Fountain Plaza (Main at Chippewa Streets) and will feature Grosh. The newly re-named series, previously branded as Queen City Social, continues to pay homage to the venerable Buffalo Place-produced summer tradition, Thursday at the Square.

Grosh is a high energy rock band who writes and performs music that is visceral, heavy, and inspiring. The band is led by acclaimed vocalist, Megan Brown, known for her work in the former Buffalo based bands, Dirty Smile, and Whiskey Reverb.

Drummer Josh English, is renowned for his high energy, hard hitting playing. Bassist Dylan Hund is a virtuoso on the bass guitar, with an impeccable ear for music. Guitarist Grace Lougen, is an accomplished and sought-after guitarist and songwriter who was voted "Buffalo's Best Blues Guitarist" by

the Buffalo Night-Life Magazine. Special guest for the evening is Niagara Falls rock and roll duo, Tedesco Knows Best.

The final 2021 Thursday & Main event will take place next Thursday, August 26th and will feature Ten Cent Howl with Adrianna Noone.

This Week's Featured Friend: **CLINT**

Meet Clint! This peppy fellow is looking for a home that will appreciate his energy, love his youthful energy and take time to find an activity he will enjoy along with some training. Clint does know how to sit quite well for a yummy treat and working this guy's mind with training will make him a well rounded dog. Clint is quite athletic and a yard with a 5-6 foot fence would be best for him. He really is a great dog stuck in a kennel situation where he doesn't get the stimulus that he really needs. He is hoping that someone will come in, scoop him up and give him the active happy life he deserves.

Because of the COVID19 situation, the shelter is closed to the general public. If you would like to meet any of the adoptable dogs, please fill out an application online (if you are not already pre-approved), call the shelter, and leave a message with your name and phone number and the dog you're interested in. Have patience, and they will call you back when they can. From there, a time will be scheduled for you to come and meet the dog. Please be patient, and remember they are very short staffed at the moment. Applications can be found at <https://friendsofcbas.org/adopt>

If I Apply Now, When Will I Get My First Social Security Payment? – Ask Rusty

Dear Rusty: If I were to apply for my Social Security retirement (I'm 68 on August 1, 2021), when could I realistically expect to receive my first check?
Signed: Ready to Claim

Dear Ready: Social Security suggests applying for benefits 2 – 3 months before you wish them to begin to allow time for processing your application.

When you apply, you will specify the month you wish your benefits to start, and that is when your benefits will officially begin. But Social Security pays benefits in the month following the month they are earned. So, if, for example, you applied and specified September as your benefit start month, your benefit for that month wouldn't be received until October. The payment date for you will be on the 2nd Wednesday (because you were born between the 1st and 10th of the month), and your payment won't be by check but rather by direct deposit into your bank account. Here are a few other things you should be aware of:

- Since you were born on the 1st of the month, your benefit is computed using the previous month as your eligibility date. If your year of birth was 1953, your full retirement age (FRA) was 66, which means that you actually reached your FRA in July 2019.

- Since you reached your FRA of 66, you have been

earning Delayed Retirement Credits (DRCs) at the rate of .67% per month (8% additional benefit per year). You can earn DRCs up to age 70, at which point your SS benefit would be 32% more than it would have been at your FRA.

- If you will be 68 on August 1st, you have already earned 16% additional benefit through DRCs. That means your benefit, if claimed to start in July, will be 16% more than it would have been at age 66. You will specify the month you wish your benefit to start when you apply.

- Social Security applies DRCs in January of each year, so if you apply mid-year 2021, your DRCs earned in 2021 won't be applied to your benefit payment until January of 2022.

- You can claim up to 6 months retroactive benefits, which would be paid in a lump sum. If you choose to take retroactive benefits, your "benefit-start-month" will be backdated by six months, your benefit amount will be reduced accordingly (by 4%), and you'll get that reduced benefit for the rest of your life (except for Cost of Living Adjustments annually awarded).

So, this may be more detailed than you expected for your simple question, but claiming SS is a serious decision, and it's important you have complete information before you apply.

Northwest Buffalo Beat

by Joe Bortz

Hurt In A Car? Call William Mattar!

Ever hear that? Now what does that catchy phrase have to do with this column in the Buffalo Rocket? Believe it or not, there is a strong connection. At one time a young William Mattar used to deliver the North Buffalo Rocket, door to door, in North Buffalo. As did his brother Mark and his two sisters. One of the many good families with good up-bringing, handing down the Rocket routes from member to member.

Had the pleasure of dealing with lots of good families back in the 70's as the Rocket progressed. The ones I recall, and forgive me as my memory is not what it used to be, are those who had three or more members as carriers. The Boyd family on Crescent, Don, Jeff and Nancy. Still to this day see the mother and father, Winnie and Don. The Zengers on Woodward, became friends with George the father. The Shamrocks on Saranac,

Jo the mother, was on the board of the North Buffalo community center with me.

The Ostrowskis on Hertel and I am sure there are more that I would be glad to mention if I remembered. It was forty years ago and lots of water has traveled under the bridge since then. Let's call it a memory overload.

The Rocket started out as a slinger, delivered door to door by my children to help advertise my printing business on Tacoma. Four or five of my eight, and maybe more, would spend every Wednesday delivering. As the Rocket grew into a weekly and a tabloid it was time to solicit other delivery people. Have to think the insurance laws were more lenient then as I could never afford the coverage now. The pay was a penny a paper (and the benefit of seeing me every Thursday at payday). Back then, getting a route delivering the daily paper was tough to acquire. Deliv-

ering the Rocket was much easier as we always had openings. The usual route was like 300 to 500 papers. No collecting and a once a week project. The decent kids did it properly, and we could eventually tell who did well and who did not. Many stacks of Rockets were found undelivered by the railroad tracks. We relied on the Rocket being popular and people calling if they did not get it. We had people call if they did not get it, and some called and said they did get it and did not want it. Some are so adamant about not wanting it, we would have to discontinue the whole block. That of course would cause a problem for the people who did want to receive it on that block. So we would just tell them the address of the person who was responsible for the non-delivery. Usually that would solve the problem.

My team of delivery people would line up in my hall on payday, which was Thursday, as the paper was delivered on Wednesday back then. I would make my weekly trip to the bank to get cash for my mostly "little" workers. One would assume the three to five dollars they made was enough to keep them content for a week, as they were happy to see me when I returned with the money. Maybe the only

time I have seen so many smiley faces glad to see me all at once. They would all be lined up in the hallway on Tacoma. Some-times if I was maybe a little late, a slight cheer would erupt amongst my young employees as I entered. I kind of liked that, even if it was paid for admiration.

Have to say it was a delight and a wonderful experience having to be able to accomplish this simple little thing. Giving these little entrepreneurs a chance to make a little side money. Giving them the chance to earn a few bucks on their own and learning responsibility at the same time. Every once in a while I run into a former delivery person. They recognize me as I have changed little in the past forty years. At least they tell me that. I have to wonder if I looked this old forty years ago. They were mostly about 12 years old at the time and are now in their fifties and naturally have changed considerable. Usually I remember the name, but the faces have changed. Some I have seen come to contribute greatly to the community, like the Mattar's and the Zenger's to mention a few.

"Hurt in a car, call William Mattar". "Got an empty pocket, fill it with a Rocket." Somebody must have done that as we are still around.

Do you have a birthday greeting you would like to see here? Birthdays, anniversaries, interesting pictures, short stories or even a 500 word column of interest to your neighbors. Send them to me and I will see what I can do. Nothing political or controversial. Send to Jbortze@aol.com

NOVENA TO THE HOLY SPIRIT

Holy Spirit, you who solves all problems, who light all roads so that I can attain my goals. You who give me the divine gift to forgive and to forget all evil against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things and to confirm once again that I never want to be separated from you even in spite of all material illusions. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine. AMEN.

The person must say this prayer 3 consecutive days. The favor will be granted even if it seems difficult. This prayer must be published immediately after the favor is granted, without mentioning the favor.
