Be Safe This Halloween

There's nothing more terrifying than scary witches and human skulls to put you in the Halloween spirit like this front yard display at 17 Hoyer Place.

A major celebration of autumn, Halloween, is on its way, coming Tuesday, October 31st. As the youngsters get ready for a night of spooky festivities, The Erie County Department of Health is offering recommendations

in advance of Halloween as residents make plans for trick-or-treating, parties and other activities. Halloween Safety tips to trick-or-treating: Carve or decorate pumpkins with members of your household and put them on display.

Carve or decorate pumpkins outside, at a safe distance, with neighbors or friends. Decorate your house, apartment, living space or vehicle. Visit a local orchard or pumpkin patch (www.erie.gov/eriegrown).

CHAMPION CUBS!

According to Coach Corey Gordon of the Hertel North Park Youth Baseball and Softball League, we've saved the best for last. But that's just his way of saying "Thank you very much. We just put the ball in play and swung away." Gordon's 12U House Cubs team in the Major Boys Division this Summer won the Di-

vision and House Championship of North Buffalo Baseball this season on Diamond #1 over the Braves, 11-1 and ended a near perfect season of 15-1 overall against nine other teams. It was an impressive season to everyone in Shoshone Park and onlookers to their games on the diamond used to celebrate Opening Day in early May. The Cubs

were led by a handful of boys, who made Gordon's job easy. Emerson Andersen-Strait, Seamus Mahoney, Pavel Schneiderman, Owen Veasley and Greyson Gordon racked up impressive numbers at the plate with big hits, driving in teammates and playing stellar defense around the diamond.

"The boys just had a great attitude about the game since Opening Day," said Gordon recently. "I could see that right away. They were confident and very relaxed about winning all their games. You could see they were giving us their best effort.

Against teams like the Dodgers, Phillies, Giants or Cardinals, the Cubs rolled through the Regular season in first place since early May and set the pace for others to keep up. Other members of the team included second baseman Luke Faber, Leo Gavigan, one of six outfielders used by Gordon, that included Noble Chebat-Miller, Michael Scrivani, Anthony Palamara, Evan Jacobs and Brandin Davis.

"All of these boys were terrific to coach," said Gordon. "They all gave me 100 percent effort and progressed as the season went along. It was a fun year to be a Cub.

In the Playoffs as the number one cede, the Cubs defeated the Mets, 7-2 after a first round bye. Then Gordon and Schneiderman no-hit the Giants, 11-0. Then it was on to face the Cardinals for a 7-2 victory and then the Championship against the Braves, under the lights of Diamond #1.

"It was a great season. As the Major League Baseball Playoffs are underway on major sports networks like ESPN and Fox Sports, players in the Hertel North Park Youth Baseball League have their opinions about the game. On a recent visit to Shoshone Park recently, we asked several of them who they thought would win the World Series? Here are their responses. All these boys are age 10. Conor Smith-Braves, Wes Polster-Braves, Hunter Gallagher- Orioles, Gavin Ramsey- Dodgers, Patrick Gaughan- Dodgers, Leopold Scott- Orioles, Naveen Ladori-Braves, Walter Pitts-Orioles, Timmy Bartels-Twins, Clyde Zyglis-Braves and Sam Perry-Braves.

Creatures After Dark: Dinosaurs, Fossils And Plants, Oh My!

Continued from page one

Creatures After Dark has returned to the Buffalo and Erie County Botanical Gardens to provide an exciting look at their Coleus and Creatures exhibit. Creatures After Dark was initially introduced in fall of 2022, and has quickly become one of Buffalo’s must-see fall events.

Guests will travel back in time to see prehistoric creatures of all shapes and sizes. These topiaries, made from live plants, include a pterodactyl, tyrannosaurus rex, megalodon, dragonfly, spiders, and more. Each of these planty friends has a fun name and an “All About Me” card to inform guests about their character in a way that gives “plant-life” a whole new meaning. Guests of all ages can have some fun and complete a scavenger hunt to find all

of the fascinating topiary creatures spread throughout the entire conservatory.

Also on display are life-size fossil casts from Past & Present! Past & Present is a science and nature store and museum located on South Park Ave that is a one-stop shop for fossils, minerals, crystals, rocks, artifacts, and more. Visitors will see dinosaurs and other prehistoric figures such as a Triceratops, Brachiosaurus, Woolly Mammoth, and so much more. Each figure is accompanied with educational signage to provide guests with more information about these pre-historic creatures.

Creatures After Dark and Coleus and Creatures highlight the beauty of coleus, a tropical plant known for its distinct leaf patterns. Coleus is blooming throughout the entirety

of the Botanical Gardens, both in garden beds and even on some creature topiaries. Visitors will be amazed at how the colorful coleus transforms under the Botanical Gardens’ fun lighting.

Creatures After Dark will be on display October 11-13, 18-20, 25, 27-29 from 6:00 to 9:00pm. Ticket prices are \$16.50 for adults, \$15 for seniors (62+), \$15 for students (13+), and \$8.50 for kids 3-12. Ask Rusty – How Will My Wife’s Social Security Be Affected By Her Teacher’s Pension?

Dear Rusty: My wife, born in 1960, was a Texas school teacher for about 10 years and receives a \$1,000 per month pension from that work. She didn’t pay into Social Security while teaching, but she paid into it for about 23 years while working elsewhere. I paid into Social Security my entire life, the maximum in most years, so my SS benefit will be much greater than hers.

I understand there are some sort of penalties or restrictions on my wife’s Social Security benefits and also for spousal benefits due to her school pension. Please share the process I can use to estimate my wife’s Social Security and tell me if she can file for spousal benefits. **Signed: Planning for the Future**

Dear Planning: Because your wife has a Texas school teacher pension earned without contributing to Social Security, any SS benefits she is entitled to will be affected by two rules – first, by the Windfall Elimination Provision (WEP) which will reduce her personally earned Social Security retirement benefit and, second, by the Government Pension Offset (GPO) which will reduce any spousal boost (if she is entitled to one) to her own benefit.

The amount of the WEP reduction to your wife’s personal SS retirement benefit will be computed using a special formula which considers the number of years she has contributed to Social Security through other (non-state) work. Since your wife became eligible

for Social Security benefits in 2022 the maximum WEP reduction with 23 years contributing to SS will be \$358. If your wife has already obtained an estimate of her Social Security retirement benefit, deduct \$358 from that estimate and that will be pretty close to her actual SS retirement benefit when she claims. Social Security will figure out the exact amount of her WEP reduction when your wife applies, but you can also use Social Security’s “WEP Calculator” for an estimate, which you can find at this link: www.ssa.gov/benefits/calculators/

Whether your wife will be entitled to a “spousal boost” to her own Social Security retirement benefit depends on how your respective FRA entitlements compare, and the GPO. The base amount of your wife’s spousal boost will be the difference between her pre-WEP FRA entitlement and 50% of your FRA entitlement. If your wife’s normal FRA entitlement is less than 50% of your FRA entitlement, the difference is a “spousal boost” added to your wife’s personal SS retirement benefit. However, that base spousal boost will be reduced if taken before your wife reaches her FRA, and even further reduced by the GPO (the GPO reduction will be 2/3rds your wife’s State of Texas pension, e.g., about \$667). Any remainder left after these reductions to your wife’s spousal boost will be added to her own WEP-reduced SS retirement amount, but if the remainder is \$0 then no

spousal boost will be given, and your wife will get only her WEP-reduced Social Security retirement amount.

FYI, Social Security’s WEP and GPO provisions apply to anyone who has a pension earned without contributing to Social Security, including many public service retirees in the 26 states which do not participate in the federal Social Security program. I’ve published

numerous articles about how these rules affect benefits, and also about the rationale behind both provisions, which you are welcome to review at this AMAC Foundation website: www.SocialSecurityReport.org.

The Birchfield Penney: The opening of John Wood: The System is Alive will be celebrated on M&T Second Friday, October 13, 2023 from 5:30 – 8:00 pm at the Art Center. The evening will also feature live music by the modern

folk band Tough Old Bird, all-ages art making, and the exhibition opening of A Clearing View: Charles E. Burchfield Reframed. John Wood: The System is Alive will remain on view through April 28, 2024. Curated by Joseph Scheer, the exhibition features a selection of Wood's innovative artworks including sketchbooks, one-of-a-kind experimental artist's books, drawings, print works, and collages. Together these works bring forth a profound reinterpretation and appreciation of an artist generally remembered as master photographer and educator. John Wood (1922-2012) taught with distinction at Alfred University from 1954 to 1987 where he developed a variety of studio art and foundation programs in the School of Art & Design.
