

# Playoff Bound!

The Hertel North Park Youth Baseball League’s teams are getting into position for the upcoming playoffs.

by Bill Snyder

One thing great about the Hertel North Park Youth Baseball League is that every team makes the playoffs.

That’s of course different than the Big League guys in New York City and Tampa Bay. Even Buffalo and Rochester have to battle it out in the International League division to qualify for the post season.

Six divisions of boys and girls teams in North Buffalo have completed a regular season. That’s great news for some parents involved in transporting their child to Shoshone Park twice a week for games. The Baseball Gods have been kind to the area when it comes to good or great weather during game times.

Here’s a short list of make up games already scheduled

for next week:

Monday June 29th Blue Jays vs. Yankees in First Minor and Blue Jays vs. Indians in Rookie Boys divisions. Tuesday, the Braves play the Brewers in Second Minor Boys. Then on Wednesday July 1st, the Shamrocks play the Rebels in a Rookie Pony game. Such a great season is taking shape nightly and on the

# Red Cross Urges Blood Donations

The American Red Cross urges eligible donors to give blood in the weeks surrounding Independence Day to help ensure a sufficient blood supply now and throughout the summer. Many summer activities, such as vacations and travel, cause frequent blood donors to be less available to give during the summer. However, hospital patients still depend on volunteer

donors to receive lifesaving transfusions; the need for blood does not get a vacation.

To encourage more people to donate around Independence Day, all those who come out to donate blood July 2nd-6th will receive a

Red Cross embroidered hat, while supplies last. Eligible donors are encouraged to choose their day to make a difference. Donors of all blood types - especially those with types O negative, A negative and B negative - are needed.

To make an appointment to give blood, download the Red Cross Blood Donor App, visit redcrossblood.org or call 1-800-RED CROSS.

# Wild West Field Day at Catholic Academy

The day after exams are over is always a day to celebrate, but at Catholic Academy of West Buffalo, they took it to another level. The Annual Field Day was held last Friday, June 19th and had a Western theme.

Students in grades Pre-K through 8 participated in a classroom Wild Wild West Buffalo Race/Run, in Western attire. The students had official race bibs and numbers. The grounds of the building were transformed into a Western themed race course that ranged from 1/2 mile to 1 mile for the older students.

Following the Western theme, there was Howdy Partner Volleyball, Pony rides, Pony Express Race, Rattle Snake Wrangler, Tug-o-War and Quick Draw games. The students entertained everyone with Western dancing and singing, followed by an awards presentation and a student raffle.

The entire event is the brainchild of Phys Ed teacher Brad Milette, who encourages and teaches the students the joys and benefits of living a healthy lifestyle. Ride ’em cowboys and girls!!

The Adventures of...

## Rocket Man

by Doug Smith

## Brian Williams' Beliefs

This is what Rocket Man remembers most about Brian Williams' reporting.

It was 1998 (actually, Rocket Man had to look up the date) and a woman named Kathleen Willey joined the chorus in accusing the then President of intimately bad behavior. It was a VERY plausible story although investigation broke it down to a "he said, she said."

And this is how Brian Williams reported it:

"Kathleen Willey, who would have us believe that President Clinton... etc., etc."

It was the most withering and airiest of dismissive put-downs, not only that, framed in such a sly and insidious way as to defy rebuttal.

Not, "Kathleen Willey, who has charged the President..." or even "Kathleen Willey, who claims that the President." No, "who would have us believe," as if she were not only making an accusation, but was dedicated

to bamboozling us all.

This exemplifies the way so-called reporters promote their personal agendas. Never forget one local commentator declaring that a prominent news reporter had had a few too many and was "acting like the participants" in the St. Patrick's parade. Actually, parade rules strictly ban alcohol consumption and we've never, ever seen untoward behavior by one of the passing throng, but at the time, there was a passionate desire to make Mayor Jim Griffin look bad, and this was one more sideswipe, and if it defamed an entire community, so much the better.

So - Rocket Man will be conducting no telethon for the man who would "have us believe" he was in the thick of the fight. It has come around...

**JESSE KREGAL:** On the other hand there was Jesse Kregal, tip-top timpanist, who wandered into the

Courier-Express office one '70s afternoon and challenged Rocket Man to start jogging.

He was one of extraordinary persuasions, Jesse, to get a sedentary soul out of his chair and onto the road. Within a few weeks he managed to struggle around the Delaware Park Ring Road in 18 minutes and would eventually run a marathon, one, only one, to Niagara Falls. "I was going to throw my shoes over the Falls," he would say, "and then I remembered I was still wearing them."

Jesse completed dozens of marathons, earned the highest of praise for the most difficult musical pieces but above all, ran with this irrepressible smile that made it all look like such fun. He lost a devoted wife, actress Bess Brown Kregal some years ago, and had a family that brought joy to all.

The First Mate, though, remembers Jesse best for sizing up Rocket Man's new-found dedication to running and saying, "You're a real man, now." To which she responded, "So what was he before, chopped liver?"

Jesse left to rejoin his beloved Bess last weekend. For many of those left behind, he not only improved their lives, but extended them. Drumroll, please...

**EDITOR'S NOTE:** Rocket Man will observe his 80th birthday Saturday. He intends to join a 2.3-mile race the following week, and will be thinking of Jesse Kregal with every step...

weekends for the over 800 boys and girls registered to play this year.

Just before the first fire cracker explodes on the July 4th weekend, the League will take a break from all house games until the following Monday.

Shoshone Park will play host to Babe Ruth District tournaments within the next few weeks. The coaches and League members have worked hard to prepare diamonds for games and held numerous practices for North Buffalo boys and girls outside of the leagues' schedule. The tiny patch of green off Hertel near Main Street holds eight diamonds waiting for a North Buffalo boy or girl to become a "Star."

Julie Kilonsky, Georgi Gallivan and Ellie Robertson helped lead the Major

Pony Cardinals to a 10-2 record with a 5-4 win over the Athletics in a game that featured three double plays made by the Cardinal defense. The Dodgers won 14-7 over the Rockies and with just one make up game to be played, all four teams gear up for the double elimination playoff brackets.

Jadin Mecklenburg, Nathan Bradshaw and Melvin Gharakani helped lead the First Minor Tigers to a 19-13 win over the Twins. Mecklenburg blasted a homerun at the plate and Bradshaw had the game winning double to lead the Tigers to their second win in a row and atop the division at 8-1.

Brandon Lafrano, Dante Chimera and Jack O'Rourke take to the mound on most games, pitching two innings and leading the Major Cardinals to 11-3 victory over the Giants. Lofrano cracked a two run homerun to help lead the team. The win puts the team in contention for a

better cede for the post season with teams like the Nationals, Mets and Dodgers. All four teams have been playing some awesome defense and bringing runners around with timely hits.

In other games, the Marlins upset the Pirates 5-1 for just their second win of the season in Second Minors. The Yankees won again, 11-3 over the Athletics and kept up with the Rays and Blue Jays for first place in Rookie Boys. The Red Sox defeated the Rays 5-2 and the Orioles defeated the Royals, 2-0.

In Senior Boys, the DBacks gave the Tigers their first loss on the season with a 6-5 win. The Mets remained undefeated with a 5-2 win over the Red Sox and the Pirates defeated the Orioles 4-3. In Senior Pony, the Athletics and Yankees are neck and neck for the top spot in the division with wins Saturday. Both teams have won 5 games but the Yankees had trouble with the Angels one Thursday night in a 10-6 loss which put the team a half game back.

### ADOPT A PET

This week's featured friend:

## BUZZO

Buzzo is a great big orange tabby with white polydactyl paws. This gentle giant was surrendered to the shelter by the only human he has ever known. He absolutely loves to hang with his peeps and will sit pressed against your side for hours, helping with your work or just keeping you company. He's about seven years old and

quite friendly, though he does value his personal space and prefers to be the one to initiate head scratches and back rubs. He just wants to hang with you. He has been amazingly tolerant of many crazy kittens, and gets along with most cats and dogs. You can meet this big handsome boy at the Cat Adoption Center at Petsmart on Elmwood Avenue, where he is often seen hanging around the door waiting for his forever family to take him home. # Summer of Service

**From page 1**  
an open house, June 30th at the Buffalo VA Medical Center, 3495 Bailey Avenue, from 9 am to 11 am in Freedom Hall, room 301.

“We have made progress over the past year addressing the challenges we face in delivering care and benefits to millions of Veterans and their families,” said Secretary of Veterans Affairs Robert A. McDonald. “While there is more work to do to honor our commitment to Veterans, we also recognize that VA cannot do it alone. We are asking Americans everywhere to join the Summer of Service and help us give back to those who have given so much to our nation.”

In the coming weeks, the VA Western New York Healthcare System will be working closely to identify new and innovative ways to support VA’s commitment and mission to care for those who “have borne the battle” and their fami-

lies. While the central focus of the campaign will be increasing volunteerism and partnerships, it will also provide individuals and communities an opportunity to support other important priorities.

In an effort to improve the Veteran’s customer service experience, VA has begun the most comprehensive reorganization in its history. The initiative, called MyVA, has been guided by ideas and recommendations from Veterans, employees and stakeholders.

“There is no mission nobler than serving Veterans and their families. At VA, we constantly strive to improve the way we do our job,” said McDonald. “There are a number of ways we can all come together to serve veterans; we need the help of communities everywhere to succeed.”

Volunteers can also help serve Veterans by visiting [www.volunteer.va.gov](http://www.volunteer.va.gov), or by calling 862-8671.
