## Donors Needed

The first puck will drop on February 11th for the 11th Annual Labatt Blue Buffalo Pond Hockey Tournament.

This year’s 11th annual Labatt Blue Buffalo Pond Hockey Tournament now offers both a one-day tournament and a week long event at Buffalo RiverWorks entertainment complex, 359 Ganson St, Buffalo, on February 11th through the 18th.

The first tournament will take place on Sunday, February 11th. Twenty-four teams will play three games in a round robin format, with championship games held that evening. Then, on Tuesday, February 13th, a week long tournament be-

gins with 132 more teams, each competing in one game during the week, and playing their remaining games on Saturday, February 17th or Sunday, February 18th. The new format allows approximately 20 more teams and

This January, National Blood Donor Month, the American Red Cross has an urgent need for blood platelet donors of all blood types to make an appointment to give now and help address a winter blood donation shortage.

Severe winter weather has had a tremendous impact on blood donations already this year, with more than 150 blood drives forced to cancel causing over 5,500 blood and platelet donations to go uncollected. This is in addition to seasonal illnesses, such as the flu, and hectic holiday schedules collectively contributing to more than 28,000 fewer donations than what was needed in November and December.

“Even temporary disruptions to blood and platelet donations can diminish the availability for hospital patients,” said Patty Corvaia, communications manager of the New York-Penn Red Cross Blood Services Region. “It’s the blood on the shelves that helps save lives in an emergency, and that’s why we’re asking eligible individuals to make an appointment to give blood or platelets today.”

Eligible donors can find a blood or platelet donation opportunity and schedule an appointment to donate by

using the free Blood Donor App, visiting [redcrossblood.org](http://redcrossblood.org) or calling 1-800-RED CROSS (1-800-733-2767). Donation appointments and completion of a RapidPass are encouraged to help speed up the donation process. RapidPass lets donors complete the pre-donation reading and answer the health history questionnaire online, on the day of their donation, by visiting [redcrossblood.org/rapidpass](http://redcrossblood.org/rapidpass) from the convenience of a mobile device or computer, or through the Blood Donor App.

Every two seconds, someone in the U.S. needs blood. Accident and burn victims, heart surgery and organ transplant patients, and patients receiving treatment for leukemia, cancer or sickle cell disease may all require blood to save their lives.

Upcoming blood donation opportunities through January 31st in Buffalo:

1/17/2018: 10 am - 3 pm, WNY Chapter, 786 Delaware Avenue.

1/25/2018: 12 pm - 5 pm, PUSH Buffalo, 271 Grant Street.

1/30/2018: 10 am - 2 pm, Travelers Insurance, 60 Lakefront Boulevard.

1/30/2018: 10 am - 3 pm, University at Buffalo South Harriman Hall, 3435 Main Street.

# Sabres Hockey

# SPORTS

by George Kuhn

## Five Thoughts

1. We begin the New Year 2018 with new hopes and a five game losing streak. The 6-2 drubbing in Minnesota on January 5th was a homecoming for Phil Housley but his players certainly made the experience miserable for their coach. There was a noticeable lack of awareness of their opponents whereabouts in the defensive zone as the Sabres players watched the puck carrier who would then pass to an uncovered teammate for an easy goal while building a 6-0 lead through two periods. "I think our urgency without the puck obviously was not there tonight," Sabres coach Phil Housley said after the game in an understatement.

2. The 4-1 loss on January 6th in Winnipeg was noteworthy for Jack Eichel setting the league season high for puck possession in a single game by an individual skater of one minute and 45 seconds. That's reminiscent of his strong play near the end of last season. In 2016-17 Eichel led the NHL in exits, skating the puck out of the defensive zone, and entries, skating the puck into the attacking zone, with an average six each per game. He is beginning to show signs of such dominance again this season.

3. The 7-4 loss to Winnipeg at Keybank Center was the sixth consecutive game where Buffalo has surren-

dered the first goal. While Robin Lehner entered the game with a 2.01 GAA and .935 save percentage on home ice this season, both the third best in the league.

4. Jack Eichel, Ryan O'Reilly and Kyle Okposo each had three points in the loss as the Sabres power play looked dominant resembling last seasons number one ranked unit.

5. Eichel has been on a scoring streak with 15 points in his last 11 games including nine goals. He has gone minus five over that stretch and is minus 16 for the sea-

son. The poor minus totals reflect that he gets lots of ice time on one of the worst teams in the league. It also reflects his lack of defensive awareness.

Against Minnesota he was caught chasing the puck carrier when the more prudent course of action would have been to anticipate and defend against a pass. Against Winnipeg in Buffalo, he was trapped in his own end for one minute and 45 seconds without being able to clear the puck, eventually surrendering the 4-1 goal. A typical shift will last about forty seconds. He displays a casualness at the end of his shifts, a lack of urgency to get to the bench which delays his replacement entering the game. While he is on pace for a career high 74 points it is attention to other less spectacular aspects of his game that have the potential to make him a great player.

Jack Eichel stares.

# Mayor Announces That Common Council Approved Appointments

Mayor Byron W. Brown announced that the Buffalo Common Council has approved his appointments of Vincent Muscarella as Commissioner of the City of Buffalo Fire Department and Otis T. Barker, Sr. as the Commissioner of the City of Buffalo Department of Community Services and Recreational Programming.

Mayor Brown stated, "My bold agenda for Buffalo will continue over the next four years and all of the appointments including the newly appointed individuals today, will work closely with me and my administration to deliver results, from managing our finances and resources, to ensuring our City's safety, to delivering quality services to our youth and residents, to continuing to seize opportunities to build a better future for all Buffalo residents in this City of Opportunity."

Fire Commissioner Mus-

carella is a 27 year veteran of fire service, the last 21 of which he spent with the City of Buffalo. He was appointed to firefighter in 1996 and graduated from the recruit academy later that year. Muscarella was promoted to Lieutenant in 2009, and Captain in 2013. In July of 2016, after an extensive search process, Mayor Brown appointed then Captain Muscarella to Deputy Commissioner of Buffalo Fire Operations, a position in which he has faithfully and successfully served since such time. In addition, in furtherance of his management and leadership skills, Deputy Commissioner Muscarella has become a New York State certified fire instructor and a Master Instructor with the International Association of Firefighters.

"Vincent Muscarella is a creative, hard-driving administrator in the Buffalo

Fire Department and has served in an integral role in the Department's efforts that have enhanced fire safety and prevention in neighborhoods Citywide," said Mayor Brown. "He joined the Buffalo Fire Department 21 years ago and has distinguished himself with hard work, dedication to duty and has risen through the ranks because of his commitment to successfully carry out his duties. He has proved to be a great leader of the Department and I know he has what it takes to lead the BFD forward."

Community Services Commissioner Barker brings extensive community services and recreational programming experience to the Brown administration, spearheading such initiatives as Mayor Brown's Summer Youth Internship and Employment program, Mayor Brown's summer literacy program "Reading Rules",

and Game Changers, an intense basketball training and life skills development camp for city youth. Barker was appointed as the City of Buffalo Director of Youth in the Department of Community Services and Recreational Programming on January

1, 2006. On March 4, 2011, Mr. Barker was appointed Deputy Commissioner of the Department of Community Services and Recreational Programming, a position in which he has faithfully and successfully served since such time.

RAVE REVIEWS

"It is in showing where to find out-of-the-way trout streams that makes the map such a treasure to the fisherman."  
—Joe Gordon, TRIBUNE-DEMOCRAT, Johnstown, PA

"I have one of the original Higbee's Stream Map of Pennsylvania on my wall behind my desk. It's the best thing available as far as streams are concerned. I use it all the time for reference. I don't know of anything more extensive and it is the most accurate map out there as far as streams are concerned."  
—Dave Wolf, PA Fish and Boat Commission
