BE SAFE THIS HALLOWEEN

Mr. Bones is rising up for the spooky season at 12 Hoyer Place, North Buffalo.

A major celebration of autumn, Halloween, is on its way, coming Friday, October 31st. As the youngsters get ready for a night of spooky festivities, The Erie County Department of Health is offering recommendations in advance of Halloween as residents make plans for trick-or-treating, parties and other activities. Halloween Safety tips to trick-or-treating: Carve or decorate pumpkins with

members of your household and put them on display. Carve or decorate pumpkins outside, at a safe distance, with neighbors or friends. Decorate your house, apartment, living space or vehicle.

Halloween is for children in costumes. To minimize the safety risks that occur when older youth go door-to-door until late at night, the City of Buffalo's recommended Halloween Trick-or-Treating cut-off

policy is 8:00 pm.

Do not turn off your lights and pretend you're not home. This is an open invitation for mischief. Keep your house well-lit. A strong adult presence will serve as a deterrent to potential mischief. Work with your block club or neighbors to form "Neighborhood Watch Teams". Call 911 if you see any suspicious activity year as well.

Don't forget to visit a local orchard or pumpkin patch (www.erie.gov/eriegown).

Buffalo Place Seeks Evergreen Tree For 2025 Holiday Season In Downtown

Buffalo Place Inc. is searching for a very special "holiday hero" this season: a 30 - 40 foot evergreen tree to star in the 2025 Downtown Christmas Tree Lighting Celebration at Rotary Rink at Fountain Plaza on Saturday, December 6th. The tree will be safely cut, picked up, transported, installed, and beautifully decorated by the Buffalo Place team, and enjoyed by thousands of Buffalonians throughout the holiday season. Ideal evergreens include blue spruce, fir, pine, or other varieties that could use a new home.

The Downtown Christ-

mas Tree Lighting is an annual celebration, marking the official opening of the free ice-skating season in the heart of Downtown Buffalo. The event begins at 5pm with free ice-skating. At 6pm, we will countdown the lighting of the official tree and fireworks display over Fountain Plaza. Immediately following the fireworks and tree lighting, the fun will continue with visits with Santa, holiday gifts, face-painting, and ice-skating. "This cherished tradition brings the community together and spreads holiday cheer throughout Downtown Buffalo," said

Michael T. Schmand, Executive at Buffalo Place Inc. "We can't wait to find the perfect tree to light up Rotary Rink this season."

If any Western New Yorker has a large, beautiful tree on their property, this is their chance to give it a second life as Downtown Buffalo's official holiday tree. Interested donors are encouraged to call Buffalo Place at (716) 856-3150 or share a photo of their tree on Buffalo Place's social media pages.

Details may be found online at www.buffaloplace.com, www.facebook.com/RotaryRink, and www.instagram.com/rotaryrinkbuffalo/.

A NEW DAY DAWNING!

The sun shines over Shoshone Park last Saturday morning and the new Mural that has been painted on the north side of the Thomas M. Smith Athletic Center opening this fall.

There's a new day dawning in Shoshone Park for 2026.

Next year, in early May, the Sun will rise over the top of the new Thomas M. Smith Athletic Center and boys and girls playing in the Hertel North Park Youth Baseball League will have another place to go to play the game.

Ever since the end of the HNPYBL season in late July, Shoshone Park has still been the place to go in North Buffalo for Travel team tryouts for next year, tournaments, Fall Ball and Catholic School Junior Varsity games played now on the weekends. "Trying to find a diamond to play Monsignor Martin baseball in Shoshone Park has been crazy," said a Commissioner of the High School Catholic Leagues recently. "Games always take precedence over practices as far as I know, but Shoshone Park is our first choice."

September 27 was a great day for Shoshone Park. City officials, including Buffalo Mayor Christopher P. Scanlon were on hand to help unveil a new mural that was painted on the northside of the Athletic Center that faces the playing diamonds of the Park. The colorful dis-

play shows the happy faces of three children in various uniforms that might reflect the children of today while using the building. Also in attendance was University District Councilmember Rasheed N.C. Wyatt, Delaware District Councilmember Joel Feroletto and Father David Richards of St. Mark's Church who offered a religious blessing on the new structure.

It's hard to believe that just two years ago, then Buffalo Mayor Byron W. Brown presided under a huge tent erected over a pouring rain to help Jessica Smith and her two boys put a shovel in the ground and begin the building in honor of her husband's service to the City of Buffalo. Without the help of a mild winter in 2024 and a successful Summer last year in Shoshone Park, the Thomas Smith facility rose up from the ground one day at a time and now sits just off the parking lot of a Park that has become a jewel in North Buffalo.

Over 1,300 boys and girls played in the League this year, encompassing over 100 teams in house, travel and t-ball. With the seasons changing to the winter months, the board of direc-

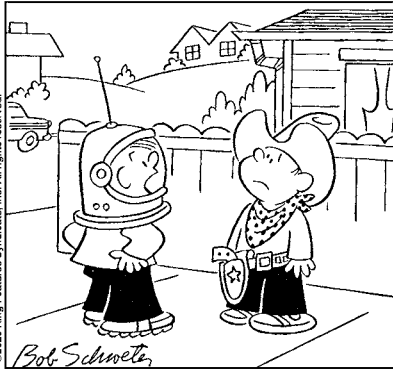

tors is up for the challenge to keep making Shoshone Park even better for next season.

This year, with an improved Diamond #5, the Senior Boys Pirates defeated the Dodgers for the Championship while playing on a surface that was long overdue for change.

But Diamond 5 wasn't the only place where good Baseball and Softball was played. In Senior Girls, the Tigers defeated the Wolverines to win the Championship in July. Under first year coach Carlie Rickus, the Tigers were tremendously successful mixing the talented team with travel players and first year girls who played their hearts out. The team suffered just one loss all season, to the Bulls and defeated the Longhorns and Sooners in a five team division.

In Major Girls, the Huskies defeated the Bruins to win the Championship in some very fine play under the watchful eyes of coach Bob Schoos. As the number 1 cede in the Division, they awaited the winner of a Ducks/GriFFs matchup and then won two of three games against the Bruins, 9-6. Other teams in the Division included the Buckeyes, Ducks, GriFFs and Hokies. Bob and Janine Schoos have helped hundreds of girls become successful on the diamonds in many years at Shoshone.

After finishing the regular season undefeated with a 12-0 record, the Giants awaited the playoffs against seven other teams to put a final touch on the 2025 Summer. However, a very good Braves team was waiting for the challenge. After the Giants defeated the Reds and the Cardinals in the first two rounds the Braves defeated the Giants in two straight games, 5-4 and 6-5. Coach Noah Huard, a former player in the League himself growing up, has been a long-time coach in Hertel North Park for many years. They finished the season in second place with an 8-4 mark and won four more to win the Championship.

Should I Take Social Security Now, Or At Age 70? - Ask Rusty

Dear Rusty: I was born in April 1958, and my plan has been to take my Social Security at age 70. However, my sister-in-law says that it is smarter to take it now while I am still working. I will be 70 in 2.5 years. Her husband collects his SS and has kept working. She believes their strategy will net more money than mine due to the fact he has continued to pay into the system, and she believes it has super boosted his monthly benefit. What say you? BTW, Lord willing and the creek don't rise I plan on living at least till 87.

Signed: Questioning My Plan

Dear Questioning: You have already reached your SS full retirement age (FRA), so you can earn as much as

possible without your SS benefit being negatively affected by Social Security's Annual Earnings Test. In fact, if your current earnings are among the highest over your lifetime, your SS benefit amount will continue to increase because of your higher current earnings. You are now also earning Delayed Retirement Credits (DRCs), which will improve your monthly amount by .67% for each month (8% for each full year) you delay. That means that if you wait and claim at 70 you will get about 127% of what you would have gotten had you claimed at your FRA of 66 years and 8 months (plus you'll also get all COLA increases which occur between now and then). So your life expectancy is key. It usually takes about 12

years to breakeven money-wise by claiming at age 70 vs. at FRA. In other words, if you claim at 70 instead of FRA, you'll have received the same amount of SS money after you are 82. Thus, if your life expectancy is greater than age 82, you'll get more in cumulative lifetime benefits by waiting until 70 to claim. Of course, no one really knows how long they will live, so it is a judgement you need to make. "Average" life expectancy for a man your current age is about age 84, but if you'd like to get a more personalized longevity estimate you can use this tool we use here at the AMAC Foundation: <https://socialsecurityreport.org/tools/life-expectancy-calculator/>

Another thing to keep in mind is whether your wife will get a widow's benefit if you die first. A widow will get the higher of either her own SS retirement benefit, or the husband's benefit amount when he died. So, if you claim at age 70, your surviving spouse will benefit (if her own SS is smaller) because you waited until 70 for your higher SS amount. Just something else to keep in mind.

Yet another is whether your wife will be entitled to a higher benefit as your spouse while you are both living. (FYI, a spouse will get a "spousal boost" if her own SS retirement benefit at

FRA is less than 50% of her spouse's FRA entitlement). If so, your wife cannot claim her spousal benefit until you take your own SS retirement benefit. If your wife will be entitled to more as your spouse while you are both

living, then delaying until age 70 means your wife cannot collect her higher spousal amount until you claim. Depending on your financial needs as a couple, that may affect your decision as well.

OUR SHELTER IS
OVERFLOWING WITH DOGS!

It may be July and Snow is far from our minds but our Snow wants to change that. This 3 year old petite darling has been so patient waiting for her people to come and adopt her. Pulled from the streets because she was too sweet and friendly for the outside world it was discovered she is FIV+ which for any knowledgeable cat owner is not a big deal. Requires no meds or special daily needs. Snow loves people and loves pets and snuggles. She is a gentle cat with personality plus. Come meet her at Daisy's Doghouse on Hertel Ave in N Buffalo during regular business hours or contact Patty via text or call at 716-361-9452.

If you would like to meet any of the adoptable dogs, please fill out an application online (if you are not already pre-approved), call the shelter, and leave a message with your name and phone number and the dog you're interested in. Have patience, and they will call you back when they can. From there, a time will be scheduled for you to come and meet the dog. "Searching for the Original Erie Canal" presented by Richard Szczepaniec Join Richard as he recounts his journey "back in time" as he follows the original

1825 canal from Albany to Buffalo; see what he found! Even though much has been lost, filled in to become city streets and the NYS Thruway or deepened and widened for the present 20th century barge canal, a little of the original and a lot more of the enlarged canals still exists. Some have even been recycled into our modern-day highway system. Mr. Szczepaniec is a member & trustee of the Tonawanda Kenmore Historical Society who has been living in WNY for 80 years. Event at the Northwest Buffalo Community Center 155 Lawn Avenue Buffalo 14207 Room 114 Tuesday 10/14/2024 at 6:30pm FREE to attend – light refreshments available Sponsored by the Forest District Civic Association and the Northwest Buffalo Community Center.

The WNY Women's Foundation will present What She's Made Of 2025 at the Buffalo AKG Art Museum on Oct. 22. The morning event will feature keynote

speaker Kweilin Ellingrud, a senior partner at leading global management consulting firm McKinsey & Company. McKinsey's comprehensive studies, like "Women in the Workplace," provide actionable insights to help guide business decisions across corporate America. What She's Made Of, one of the WNY Women's Foundation's signature events, brings people together in support of uplifting wom-

en in our community for an intimate gathering combining networking with an empowering keynote presentation. What She's Made Of, which raises critical funds to support the WNY Women's Foundation's mission, is made possible by presenting sponsor M&T Bank, event sponsor Delaware North, and keynote sponsor Broadview Federal Credit Union.
