HAPPY HALLOWEEN

Halloween takes place Saturday, October 31st. Make sure the little spooky ones are safe this haunting holiday!

Mayor Byron W. Brown and the Buffalo Police Department want to wish everyone a safe and fun Halloween night. As Halloween 2026 approaches, Mayor Brown has issued a few annual safety reminders.

Halloween is for children in costumes. To minimize the safety risks that occur when older youth go door-to-door until late at night, the City of Buffalo's recommended Halloween Trick-or-Treating cut-off policy is 8:00 pm.

Do not turn off your lights and pretend you're not home. This is an open invitation for mischief. Keep your house well-lit.

A strong adult presence will serve as a deterrent to potential mischief. Work with your block club or neighbors to form "Neighborhood Watch Teams". Call 911 if you see any suspicious activity.

Be Safe and be Spooky this Halloween!

Touch A Truck-Or Treat!

Mayor Sean Ryan invites residents to celebrate Halloween at Touch a Truck or Treat in Niagara Square on Saturday, October 31, from 11 a.m. to 1 p.m. The free event will give children and families a chance to climb aboard, take a seat, and explore trucks and other vehicles from the Department of Public Works, Buffalo Fire Department, and Buffalo Police Department while enjoying candy and Halloween fun.

Families can enjoy a costume parade, temporary tattoos, and games, including oversized chess pieces and cornhole. Metro Community Development Corporation, the nonprofit that operates Delavan Grider

PUBLIC SKATING EVERY DAY!

The North Buffalo Rink. The "coolest" place to be for Buffalo Bisons Hockey.

Do you know what's the coolest place in North Buffalo?

If you think it's the Buffalo Zoo, you're wrong. If you like Delaware Park, sorry, wrong again. Maybe you think it's the new Thomas Smith Athletic Center in Shoshone Park? No, I'm sorry, that's not it either.

The coolest place in town has to be the North Buffalo Rink, located on Tacoma Avenue near Delaware. This 37 year old, two story structure has been around since 1989 and has served North Buffalo and the surrounding area as a place to go to learn to skate year round and play hockey in a sport where young boys and girls can be just like adults.

"You can learn to skate everyday," said Nick Price, the manager of the North Buffalo Rink since 2011 and ready to continue offering a clean ice surface everyday. "This is the home of Buffalo Bisons Hockey and we're glad to be a part of this community."

Since Price has been on board, the rink has undergone some major improvements to the "cool" facility under the watchful eyes of Buffalo Bisons Hockey President Barney Walsh, a tireless man with a deep history of the growth in youth Hockey since the days of the old Shamrocks. When the Rink became available to manage from the City of Buffalo, Walsh and the Bisons organization, continued making sure the wishes of young boys and girls would still be met.

Since that time, the actual structure of the building changed, offering more locker rooms and lavatories for both the players and the visiting team families. Anyone traveling into North Buffalo ten years ago, had to find spaces to park their vehicle along one of the many side streets around Tacoma before a Parking lot that was shared by P.S. #81 was expanded behind the Rink.

With the changes, along came new faces into the Bisons Organization. At one time, the Rink was home to a tremendously successful Girls Hockey League team, winning several State Championships over the years. North Buffalo became the place for any girl interested in playing hockey here in WNY, could find a home here at the North Buffalo Rink. The Bisons are working hard presently to bring girls hockey teams back into their successful organization so no one is excluded from playing the sport again.

One former girl who got their start, skating on the Tacoma Rink and became a standout goal scorer and team leader for the Bisons is now the organization's Director of Hockey Operations, Colleen Harris. A personable young woman, Harris learned the game from Bison coaches, growing up not far from the Tacoma Rink. She continued playing Hockey through School and became a local success story in Women's Hockey. She continued her education at the prodigious Boston College and played for the Eagles, in an awesome career. After graduating, she has since returned home and wishes to spread her knowledge of the game to any boy and girl, interested in playing a game she fell in love with at a young age.

With teams in every age level from age six to eighteen, the Bisons Hockey season is underway and the Rink is always busy with games in progress or practices in session. You can get a great look at all the players if you move up to the second level of the building and watch from above. As Chucksters or Rising Stars skate from one end of the rink to another, you can feel their happiness by just being "free" from their parents who are left to be "just watching."

Here's the schedule for public skating.: MONDAY 11:00am- 1:00pm, TUESDAY 4:30pm-6:00pm, WEDNESDAY 4:30pm-6:00pm THURSDAY 11:00am-1:00pm FRIDAY 7:00pm-9:00pm SATURDAY 5:30pm-6:30pm and Sunday 7:00pm-9:00pm

What Happens if Social Security Runs Out of Money to Pay Benefits? - Ask Rusty

Dear Rusty: *What happens to seniors if the country runs out of funds to pay out monthly Social Security to beneficiaries? I am 78 yrs old and Social Security is my only income.* ***Signed: Worried Senior***

Dear Worried Senior: Please put your mind at ease - the government will never run out of money to pay Social Security benefits. That's because if people are working and contributing to the program (e.g., always), Social Security will always have at least some money to pay benefits. What you are hearing about are recent media reports about Social Security having financial issues, expected to come to a head in just a few (six) years.

The primary risk for you (and everyone else) is this: if the reserves in the Social Security Trust Fund (currently about $2.5 trillion) run dry, it would result in a reduction to everyone's monthly benefits. Right now, the Social Security Trustees are projecting a cut of about 22% starting in the fall of 2032. But that will only happen if Congress fails to act and reform the SS program before the SS reserves are fully depleted. And that is, in our opinion, not likely to happen unless Congress is completely and totally derelict in its obligations to American seniors and their dependents. Not a pleasant scenario, but neither is it one likely to occur.

Here at the AMAC Foundation, we are working vigorously to prevent the depletion of the Social Security Trust Fund, and our expectation is that Congress will, indeed, eventually take action to prevent any cuts to monthly benefits. It would be political suicide for Congress (and any President) to allow those Social Security benefit cuts to occur. That would greatly increase the poverty level in America. As we have often reported publicly, we have already proposed a commonsense plan to restore Social Security to long-term solvency and are working in Congress and with the Social Security Administration to promote the needed reform. You can see more details of AMAC's plan here: https://amac.us/social-security-guarantee

So, while we fully understand your personal anxiety, we feel confident in assuring you that you are very unlikely to experience any cuts to your monthly Social Security income. We are firmly committed to preventing that from happening and will continue to vigorously lobby Congress to make the SS changes needed before the SS Trust Fund is fully depleted.

"We're continuing to bring new energy to the square and City Hall, and Halloween is a perfect occasion to invite everyone over. Put on your costumes, bring the kids, and join us for big trucks and plenty of treats."

ADOPT A PET Sponsored By The Buffalo Rocket

This Week's Featured Friend: KALLY

OUR SHELTER IS OVERFLOWING WITH DOGS!

97 days in the shelter, and Kally is finally ready to be someone's little lovebug. Can we get this girl home before day 100?! Just look at her snuggled up with our volunteer Stephanie! This is a BIG deal for Kally, and her journey to get here makes it even sweeter.When Kally first arrived at CBAS, she was sick and understandably terrified. Our staff and volunteers helped her get healthy, but learning to trust humans? That took time. And patience. And approximately one million Churu treats.

If you would like to meet any of the adoptable dogs, please fill out an application online (if you are not already pre-approved) , call the shelter, and leave a message with your name and phone number and the dog you're interested in. Have patience, and they will call you back when they can. From there, a time will be scheduled for you to come and meet the dog. Please be patient, and remember they are very short staffed at the moment. Applications can be found at https://friendsofcbas.org/adopt
